The General Assembly authorizes the Department to develop and implement a facility replacement and renovation program to improve the quality of Workforce Development Cabinet facilities used by the Department and its clients, and to reduce departmental reliance on lease/rental properties. The Department is directed to coordinate this program with the Secretary of the Finance and Administration Cabinet. Proceeds acquired from the sale, transfer, or other disposition of existing facilities may be expended toward the purchase, construction, renovation, and equipping and furnishing of replacement facilities. Expenditures authorized by this provision are limited to the use of funds solely derived from the sale of Cabinet-owned facilities, which equity rights are shared between both the state and the federal government. Any project estimated to cost over $400,000 shall be reported to the Capital Projects and Bond Oversight Committee by the Secretary of the Finance and Administration Cabinet.

R. COAL SEVERANCE TAX PROJECTS

Notwithstanding KRS 42.4588(2) and (4), the following projects are authorized and appropriated from Local Government Economic Development Fund moneys from the respective single county fund pursuant to KRS 42.4592 or General Fund supported Bond Funds for public purposes in the following coal-producing counties in the manner and amounts enumerated. These projects are determined by the General Assembly to be important to the furtherance of the public policy objectives and economic development purposes for which the Local Government Economic Development Program was established. The amounts appropriated are estimates. Actual expenditures and encumbrances shall be limited to the actual receipts realized and available in the respective single county fund. These amounts are comprised of estimated receipts for fiscal year 2002-2003 and fiscal year 2003-2004 in combination with prior unobligated balances in the respective single county funds. To the extent that a county that is authorized to proceed with a project enumerated below receives more single county Local Government Economic Development Fund moneys than are appropriated in this Act, the county may direct those funds to offset a cost overrun on any of the projects enumerated below upon approval of the Commissioner of the Coal County Development Office.

Notwithstanding KRS 42.4592, funds from each single county fund that equals the amount of Bond Funds for the respective county shall be deposited to the General Fund in fiscal year 2003-2004. The Coal Severance Tax Projects Bonds shall not be issued prior to September 1, 2003. The Bond Funds totaling $10,602,992 are supported with General Fund debt service of $980,000 which is included in the Finance and Administration Cabinet Debt Service appropriation.

CAPITAL PROJECTS BUDGET PROVISIONS FOR PART II, CAPITAL PROJECTS

1. All appropriations to existing line-item capital construction projects expire on June 30, 2002, unless reauthorized in this Act with the following exceptions: (1) A construction contract for the project shall have been awarded by June 30, 2002; (2) Permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds; (3) Grant or loan agreements, if applicable, shall have been finalized and properly signed by all necessary parties; and (4) Any capital construction project authorized pursuant to actions approved by the 2000 General Assembly House Bill 507 (2000 Ky. Acts ch. 549, Part II, R. Community Development Projects or S. Coal Severance Tax Projects), unless expressly reauthorized or reallotted in this Act. Any capital construction project authorized pursuant to actions approved by the 2000 General Assembly House Bill 507 (2000 Ky. Acts ch. 549, Part II, R. Community Development Projects or S. Coal Severance Tax Projects), that is not expressly reauthorized or reallotted in this Act is deemed to be reauthorized. Notwithstanding the criteria set forth in this section, the disposition of 2000-2002 biennium nonstatutory appropriated maintenance pools funded from Capital Construction Investment Income shall remain subject to the provisions of KRS 45.770(4)(c) and (d) with the exception of the Cabinet for Families and Children. To facilitate the transfer of five buildings from the Cabinet for Families and Children to the Finance and Administration Cabinet, it is the intent of the General Assembly that any remaining balance in any currently authorized Cabinet for Families and Children non-bond funded project be credited to the Finance and Administration Cabinet Maintenance Pool. Purchases of major items of equipment require reauthorization if a purchase order has not been executed by June 30, 2002.

2. Bond projects authorized for the first time in this section which have debt service supported by state General Fund appropriations are authorized in the first year of the biennium. The full amount of annualized debt service has been included at the beginning of fiscal year 2003-2004. Therefore, the sale of any permanent bonds to finance these projects shall occur after January 1, 2003.

3. If any authorized capital construction or major equipment projects are canceled, any General Fund appropriated debt service for those same projects shall lapse to the credit of the General Fund.

4. Notwithstanding KRS 45.750 to 45.810, the General Assembly has determined that certain individual capital projects identified in this Act as eligible for funding from the Emergency Repair, Maintenance, and Replacement Fund, the Capital

Construction and Equipment Purchase Contingency Fund, or the Deferred Maintenance Fund require a direct appropriation from the Emergency Repair, Maintenance, and Replacement Fund, the Capital Construction and Equipment Purchase Contingency Fund, or the Deferred Maintenance Fund in this Act.

5. Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties and excess bond proceeds upon the completion of a bond-financed capital project may be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations. Notwithstanding KRS 48.010(13)(b), 48.720, or any section of this Act, any funds appropriated but not required to pay debt service because of this fund source substitution shall be credited to the Deferred Maintenance Pool Account each year. Unneeded debt service resulting from any other circumstance shall lapse in accordance with KRS 48.010(13)(b), 48.720, and other provisions of this Act except for the following: if the fund balance in the Emergency Repair, Maintenance, and Replacement Fund falls below $5,000,000 in fiscal year 2002-2003, any debt service lapse necessary to bring the fund balance to $5,000,000 in that fiscal year shall be credited to the Emergency Repair, Maintenance, and Replacement Fund. If the Emergency Repair, Maintenance, and Replacement Fund remains at $5,000,000 or above, the first $2,000,000 in fiscal year 2002-2003 in debt service lapse shall be deposited to the General Fund Surplus Account for the purpose of paying unbudgeted Necessary Government Expenses. No transfer to the Emergency Repair, Maintenance, and Replacement Fund, Deferred Maintenance Pool Account, or the General Fund Surplus Account shall be made based on the above provisions if the lapse from other General Fund accounts is insufficient to meet appropriations approved in other parts of this Act.

6. Investment income earned from funds credited to the Technology Trust Fund account in the Finance and Administration Cabinet shall accrue to the Capital Construction and Equipment Purchase Contingency Account established in KRS 45.770.

7. The Council on Postsecondary Education subheading in this Part includes a project entitled Fire/ Life Safety/ Infrastructure-Agency Bond Pool, L.1.a.. Agency Bonds, $80,000,000 in projects are authorized to be funded from Restricted Funds-supported bonds. This pool provides funding for individual projects to be recommended by the Council on Postsecondary Education to the Secretary of the Finance and Administration Cabinet from the project listings previously identified and recommended by the Council for funding in the 2002-2004 biennium.

Notwithstanding KRS 45.750 to 45.810, 45.812, 45.814, 45.816, and 45.818, capital construction projects at institutions of postsecondary education involving no state or Federal Funds may be authorized between regular sessions of the General Assembly if the projects receive prior approval from both the Council on Postsecondary Education and the Secretary of the Finance and Administration Cabinet, and the Capital Projects and Bond Oversight Committee receives prior notification.

8. The Research Challenge Trust Fund-Endowment Match capital project appropriation under the Council on Postsecondary Education (L.1.c.) shall be transferred to the Research Challenge Trust Fund as established in KRS 164.7911 and 164.7917.

9. The Regional University Excellence Trust Fund-Endowment Match capital project appropriation under the Council on Postsecondary Education (L.1.d.) shall be transferred to the Regional University Excellence Trust Fund as established in KRS 164.7911 and 164.7919.

10. Notwithstanding 2000 Ky. Acts ch. 549, Capital Projects Budget Provisions for Part II, Capital Projects, 10., pertaining to the Capital Renewal and Maintenance Pool, the matching requirement is extended until June 30, 2004. Each postsecondary education institution may access any unmatched funds allocated from the Capital Renewal and Maintenance Pool to that institution after entering into an agreement with the Council on Postsecondary Education agreeing to fulfill the matching requirement by June 30, 2004. The Council on Postsecondary Education shall develop guidelines for the agreements.

11. Before any economic development bonds are issued, the proposed bond issue shall be approved by the Secretary of the Finance and Administration Cabinet and the State Property and Buildings Commission under KRS 56.440 to 56.590. In addition to the terms and conditions of KRS 154.12-100, administration of the Economic Development Bond Program by the Secretary of the Cabinet for Economic Development is subject to the following guideline: project selection shall be documented when presented to the Secretary of the Finance and Administration Cabinet. Included in the documentation shall be the rationale for selection and expected economic development impact.

12. Inasmuch as the identification of specific projects in a variety of areas of the state government cannot be ascertained with absolute certainty at this time, amounts are appropriated for specific purposes to projects which are not individually identified in this Act in the following areas: Kentucky Infrastructure Authority Water and Sewer Projects Pool, Repair of State-Owned Dams, Land Acquisition, Property Demolition, Guaranteed Energy Savings projects, Purchase of Agricultural Conservation Easements (PACE), Wetland and Stream Mitigation, Phase I Tobacco Settlement Agricultural Development Initiative, Economic Development projects which shall include authorization for the High-Tech Construction Pool and the High-Tech Investment Pool, Infrastructure projects, Employment Services facilities projects authorized in this part of this Act, Asbestos Abatement projects, Technology Trust Fund projects, systems, initiatives, and the Council on Postsecondary Education Agency Bond Pool and Capital Renewal and Maintenance Pool. Any projects estimated to cost over $400,000 and equipment estimated to cost over $100,000 shall be reported to the Capital Projects and Bond Oversight Committee. All moneys transferred to the Finance and Administration Cabinet for capital construction from any appropriations, including income from investments, shall be expended, accounted for, and otherwise treated in the same manner as funds appropriated directly to the Finance and Administration Cabinet for capital construction.

13. Notwithstanding KRS 42.560 or any other statute or provision of law to the contrary, all undisbursed funds in the Energy Assistance Trust Fund, the expenditure authority for which expired February 19, 1998, are hereby transferred and appropriated to the Energy Efficiency in State Government Buildings Revolving Loan Fund, contingent upon passage of enabling legislation. These funds represent receipts and accumulated interest thereon from the Stripper Well Settlement Agreement under the U.S. Department of Energy Stripper Well Exemption Litigation, as provided in KRS 42.560 to 42.566. These funds are appropriated as Restricted Funds in the Finance and Administration Cabinet's Capital Budget.

14. Notwithstanding KRS 154.33-600 to 154.33-609 or any other statute or provision of law to the contrary, all moneys appropriated by the 1998 General Assembly and added to or reauthorized by the 2000 General Assembly for the Red Fox golf course are hereby reauthorized and reallocated to a new entity entitled "The Perry/Knott County Recreational Authority" (PKCRA) with the following exception: the $700,000 originally appropriated by the 1998 General Assembly from the Letcher County/Single County Coal Severance tax money is hereby directed to be returned to Letcher County. The balance of funds remaining in the heretofore entitled Red Fox/Carr Fork golf course project are authorized to be directed to a public recreational project or projects including but not limited to a public golf course at a site or sites to be determined by the Authority. The recreational project or projects supported by these funds shall be administered through a new bi-county cooperative authority comprised of one member from each of Knott and Perry Counties who shall be appointed by the respective County Judge/Executive and three members who shall be appointed by the Governor. The new five member Board of the Authority shall develop, operate, and manage the project. This authorization shall supersede any previous authorization by the General Assembly and any memorandum of agreement or understanding that has been entered into among the Commonwealth, Perry, Knott, and Letcher counties.

15. The appropriation by the 2000 General Assembly in the amount of $2,000,000 in Bond Funds for fiscal year 2001-2002 (2000 Ky. Acts ch. 549, Part II, R. Community Development Projects, 1. Finance and Administration Cabinet, number 661, Aquaculture Infrastructure Components), in accordance with the provisions of Capital Projects Budget Provisions for Part II, Capital Projects, 4., of this Act, is reauthorized and reallocated in fiscal year 2002-2003 to be appropriated to Kentucky State University as follows: $600,000 to the Purchase Area Aquaculture Cooperative of which $450,000 is to be used for operating costs on the existing facility, education, initiatives to promote marketing and quality control, and other expenditures deemed appropriate under the Cooperative Agreement between Kentucky State University and the Purchase Area Aquaculture Cooperative and the remaining $150,000 is to be used to complete the Pond Cost Share Program for farmers that were deemed qualified but due to rankings did not get funded; $900,000 to the Kentucky State University Aquaculture Program of which $800,000 is to be used for shrimp research and development, and the remaining $100,000 is to be used for bass research and development; $400,000 to the Montgomery County Aquaculture Cooperative, to be spent on the purchase and installation of aquaculture processing equipment, education, and other expenditures deemed appropriate under the Cooperative Agreement between Kentucky State University and the Montgomery County Aquaculture Cooperative; and $100,000 to the Thoroughbred Shrimp Company in Franklin County for support and enhancement of its shrimp hatchery operations, including the purchase and installation of equipment and other expenditures deemed appropriate under the Cooperative Agreement between Kentucky State University and the Thoroughbred Shrimp Company in Franklin County.

There is appropriated from the General Fund in fiscal year 2003-2004 $11,200,000 to the State Salary Compensation Fund in the Personnel Cabinet. The Secretary of the Personnel Cabinet, in consultation with the State Budget Director, shall determine the amount of the funds necessary by budget unit to provide for this cost-of-living adjustment. The Secretary of the Personnel Cabinet, in consultation with the State Budget Director, shall determine the pro rata amount of the cost-of-living adjustment to be provided to permanent part-time employees. The State Salary Compensation Fund shall be supplemented by Restricted Agency Funds, Federal Funds, the Road Fund, and other General Fund amounts otherwise appropriated to state agencies in order to provide for this cost-of-living adjustment.

The Secretary of the Personnel Cabinet, upon approval by the State Budget Director, shall notify the Secretary of the Finance and Administration Cabinet of the respective amount of General Fund from the State Salary Compensation Fund to transfer to each affected budget unit and such funds shall be transferred. The Secretary of the Personnel Cabinet and the State Budget Director shall report to the Interim Joint Committee on Appropriations and Revenue regarding the implementation of this provision on a timely basis.

4. Each budget unit with an authorized personnel complement in excess of the number of positions funded in this Act shall submit a plan to the Office of State Budget Director for approval identifying any adequate appropriate funding source prior to filling any positions above the funded number. Upon approval of the State Budget Director, the agency budget may fill the authorized number of positions.

5. a. For purposes of this section:

(1) "Appointing authority" means the agency head as defined in KRS 18A.005(1) and 151B.010(1);

(2) A "furlough" or "reduction in hours" means that an appointing authority may temporarily reduce the number of hours that an employee is scheduled to work within a pay period if the Budget Reduction Plan or cost savings contemplated in this Act are not achieved. In the case of an employee who is considered "salaried" or "exempt" from the coverage of the Fair Labor Standards Act, 29 U.S.C. sec. 201, et seq., the length of a furlough shall not be less than a work week;

(3) A "lack of funds" means an appointing authority has a current or projected deficiency of funding to maintain current, or to sustain projected, levels of staffing and operations; and

(4) A "lack of work" means an operating authority has a current or projected decrease in the workload, which requires a reduction of current or projected staffing levels.

b. Notwithstanding any other provision of law, an appointing authority, with the approval of the Secretary of the Personnel Cabinet or, in the case of employees governed by KRS Chapter 151B, the State Board for Adult and Technical Education, may temporarily reduce the hours of work assigned to employees due to:

(1) Lack of work;

(2) Seasonal changes in demand for services; or

(3) A current or projected deficiency of funding necessary to maintain current, or to sustain projected, levels of staffing and operations.

c. An employee whose hours of work are temporarily reduced by the appointing authority pursuant to this section shall be notified in writing of the reduced schedule of work, the reasons for the reduction, and the reasons for the employee's selection.

d. Notwithstanding any other provision of law, an employee whose hours of work are temporarily reduced by the appointing authority pursuant to this section:

(1) Shall remain eligible for state-paid benefits during the temporary reduction of hours; and

(2) Shall not be entitled to appeal the reduction to the Personnel Board or, in the case of employees governed by KRS Chapter 151B, the State Board for Adult and Technical Education, unless the length of the furlough exceeds ten consecutive working days.

e. Whenever a furlough is necessary, the appointing authority of an agency shall decide in which county or facility and within which classifications the furlough will occur, and the number of employees to be furloughed within each affected county, facility, or classification. The order of furlough shall be based on length of service and relative qualifications to perform the essential functions of any positions that remain in operation within the agency, county, or facility.

f. An employee subject to KRS Chapter 18A who has been furloughed for more than ten consecutive working days, and who believes that the furlough was unwarranted under the provisions of this section or that the appointing authority failed to properly apply the criteria established by this section in determining the order of furlough, may appeal to the Personnel Board within 30 days of the date the notice of furlough was mailed or delivered by the appointing authority. An employee shall not have the right to appear before the appointing authority prior to furlough. In all other respects, the provisions of KRS 18A.095 shall govern appeals based on furloughs.

g. An employee subject to KRS Chapter 151B who has been furloughed more than ten consecutive working days, and who believes that the furlough was unwarranted under the provisions of this section or that the appointing authority failed to properly apply the criteria established in this section in determining the order of furlough, may appeal to the State Board for Adult and Technical Education within 30 days of the date the notice of furlough was mailed or delivered by the appointing authority. An employee shall not have the right to appear before the appointing authority prior to furlough. In all other respects, the provisions of KRS 151B.060 shall govern appeals based on furlough.

h. Notwithstanding any other provision of law, an employee participating in one of the state retirement systems who is furloughed to the extent of working less than 100 hours per month shall, upon return to regular hours, have the right to purchase service credit, based upon the regular rate of pay, for the months the employee was placed on furlough and worked less than 100 hours. Payment may be by lump sum or in increments and shall be computed by the retirement system in accordance with applicable law. If the employee elects to purchase service credit, the employing agency shall pick up contributions for the months purchased by the employee in accordance with applicable retirement statutes.

i. The Secretary of the Personnel Cabinet shall promulgate an administrative regulation to implement a furlough program; however, the Secretary shall present the proposed administrative regulation to the Interim Joint Committee on Appropriations and Revenue prior to filing the administrative regulation. The administrative regulation shall include a provision authorizing employees to elect to voluntarily participate in a furlough program..

PART VI

GENERAL FUND BUDGET REDUCTION PLAN

Pursuant to KRS 48.130 and 48.600, a General Fund Budget Reduction Plan is enacted for state government in the event of an actual or projected deficit in estimated General Fund revenue receipts of $6,916,450,000 in fiscal year 2002-2003 and $7,149,750,000 in fiscal year 2003-2004 as modified by related Acts and actions of the General Assembly in an extraordinary or regular session. Direct services, obligations essential to the minimum level of constitutional functions, and other items that may be specified in this Act, are exempt from the requirements of this Plan. Each branch head shall prepare a specific plan to address a proportionate share of the General Fund revenue shortfall applicable to the respective branch. No budget revision action shall be taken by a branch head in excess of the actual or projected deficit.

The Governor, the Chief Justice, and the Legislative Research Commission shall direct and implement reductions in allotments and appropriations only for their respective branch budget units as may be necessary as well as take other measures which shall be consistent with the provisions of this Part and general branch budget bills.

In the event of a revenue shortfall under the provisions of KRS 48.120, General Fund budget reduction actions shall be implemented in the following sequence:

(1) The Local Government Economic Assistance and the Local Government Economic Development Funds shall be adjusted by the Secretary of the Finance and Administration Cabinet to equal revised estimates of receipts pursuant to KRS 42.4582 as modified by the provisions of this Act.

(2) Transfers of excess unappropriated and unbudgeted Restricted Funds other than fiduciary funds shall be applied as determined by the head of each branch for its respective budget units.

(3) Excess General Fund appropriations which accrue as a result of personnel vacancies and turnover, and reduced requirements for operating expenses, grants, and capital outlay shall be determined and applied by the heads of the executive, judicial, and legislative departments of state government for their respective branches. The branch heads shall certify the available amounts which shall be applied to budget units within the respective branches and shall promptly transmit the certification to the Secretary of the Finance and Administration Cabinet and the Legislative Research Commission. The Secretary of the Finance and Administration Cabinet shall execute the certified actions as transmitted by the branch heads.

Branch heads shall take care, by their respective actions, to protect, preserve, and advance the fundamental health, safety, legal and social welfare, and educational well-being of the citizens of the Commonwealth.

(4) Funds available in the Budget Reserve Trust Fund shall be applied in an amount not to exceed 25 percent of the trust fund balance in fiscal year 2002-2003 and 50 percent of the trust fund balance in fiscal year 2003-2004.

(5) Notwithstanding the provisions of KRS 48.130 and 48.600, if the actions contained in subsections (1) to (4) of this section are insufficient to eliminate an actual or projected revenue shortfall in the enacted General Fund revenue receipts, then the

Governor is empowered and directed to take necessary actions with respect to the Executive Branch budget units to balance the budget by such actions conforming with the criteria expressed in the preceding subsection.

PART VII

"AN ACT relating to public notification on the Internet.".

Floor Amendment No. 1 to **HB 258**, by Representative S. Lee:

HB 258, On page 2, after line 17, add the following:

"Section 2. KRS 160.463 is amended to read as follows:

The school board of each public school system in any county having 300,000 or more inhabitants shall direct its superintendent to publish, in full, annually,~~[in the newspaper of the largest general circulation in the county,]~~ the annual financial statements of the school system audited by certified public accountants or an accountant approved by the State Department of Education. Each system's financial statements shall be prepared and presented on a basis consistent with *this section and Sections 3, 4, 5, and 6 of this Act*~~[that of the other systems]~~.

SECTION 3. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) Each local board of education shall direct the school finance officer to prepare and publish annually the annual financial statement of the school district of funds collected, received, held, and disbursed during the fiscal year. The financial statement shall be published one (1) time only and within sixty (60) days of the expiration of each fiscal year.

(2) The board of education may elect to prepare and publish the annual financial statement in one of the following forms:

(a) The financial statement may be published in a newspaper that meets the qualifications of Section 4 of this Act to publish advertisements in a publication area in which the local school district is geographically located. The content of the published financial statement may take the form of:

1. A complete itemized, sworn statement published in the newspaper stating the total amount of funds collected and received during the fiscal year from each individual source and the total amount of funds disbursed during the fiscal year to each individual payee and the purpose for which the funds were expended;

2. A nonitemized, sworn statement published in the newspaper showing only total amounts of funds collected, received, and disbursed during the fiscal year. The advertisement shall state the locations and addresses where a printed copy of the complete itemized version of the financial statement is available for public inspection, including the school district's Internet address, as provided in subsection (3) of this section. The published advertisement shall be no smaller than ten (10) column inches in the qualified newspaper; or

3. A separate printed advertisement or document containing a complete itemized, sworn financial statement and other information of public interest concerning the board of education and school activities that is distributed as an enclosure or insert in the qualified newspaper. The enclosure or insert need only be distributed within the geographic area of the school district.

(b) In lieu of a newspaper publication, a complete itemized version of the annual financial statement may be delivered by the U. S. Postal Service to each residence within the publication area when the cost of the newspaper publication exceeds the cost of postage, supplies, and reproduction of the publication. A board of education that elects to use this method of advertisement shall forward one (1) copy of its financial statement to the Kentucky Department of Local Government.

(3) The complete itemized version of the annual financial statement shall be available for public inspection electronically on the school district's Internet web site where it shall remain available until the publication of the next fiscal year's annual statement. The school district's main Web page shall have an identified link to the complete itemized financial statement. The complete itemized version shall be available in printed copy at the public library and its branches throughout the district, in the public area of the main office of each school in the district, and in the public area at the central office of the board of education. It shall be available at each location for a period of at least thirty (30) days following publication as provided in this section.

(4) Only the totals of amounts paid for public utility bills and to each individual as salary or commission shall be shown in the financial statement.

(5) The amount of salaries paid to all teachers shall be shown as a lump-sum instructional expenditure for the school district and not by amount paid to individual teachers. The amount of salaries paid to all other employees of the board shall be shown as lump-sum expenditures by category, including but not limited to administrative, maintenance, transportation, and food service. The local board of education shall have accessible a factual list of individual salaries for public inspection and the local board shall furnish by mail a factual list of individual salaries of its employees to a newspaper qualified under Section 4 of this Act to publish advertisements for the school district, which newspaper may then publish as a news item the individual salaries of school or county employees.

(6) The finance officer shall include in or attach to the financial statement, as a part thereof, a certificate from the cashier or other proper officer of the banks in which the funds are or have been deposited during the fiscal year, showing the balance, if any, of funds to the credit of the officer making the statement.

(7) Promptly after the publication is made, the finance officer shall file a written or printed copy of the advertisement with proof of publication in the office of the county clerk of the county and with the Auditor of Public Accounts. Promptly after the publication is made, the finance officer shall also file one (1) copy of the financial statement with the Kentucky Department for Local Government.

(8) The publisher of the newspaper is entitled to receive payment for each advertisement at a rate per column inch, computed as or published no larger than nine (9) point type on ten (10) point leading. The rate shall not exceed the lowest rate paid by advertisers for comparable matter in the same publication.

SECTION 4. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) If an advertisement for a publication area is to be published in a newspaper, the publication shall be made in a newspaper that meets the following requirements:

(a) It shall be published in the publication area. A newspaper shall be deemed to be published in the area if it maintains its principal office in the area for the purpose of gathering news and soliciting advertisements and other general business of newspaper publications, and has a second-class mailing permit issued for that office. A newspaper published outside of Kentucky shall not be eligible to carry advertisements for any county or publication area within the county, other than for the city in which its main office is located, if there is a newspaper published in the county that has a substantial general circulation throughout the county and that otherwise meets the requirements of this section; and

(b) It shall be of regular issue and have a bona fide circulation in the publication area. A newspaper shall be deemed to be of regular issue if it is published regularly, as frequently as once a week, for at least fifty (50) weeks during the calendar year as prescribed by its mailing permit, and has been so published in the area for the immediately preceding two (2) year period. A newspaper meeting all the criteria to be of regular issue, except publication in the area for the immediately preceding two (2) year period, shall be deemed to be of regular issue if it is the only paper in the publication area and has a paid circulation equal to at least ten percent (10%) of the population of the publication area. A newspaper shall be deemed to be of bona fide circulation in the publication area if it is circulated generally in the area, and maintains a definite price or consideration not less than fifty percent (50%) of its published price, and is paid for by not less than fifty percent (50%) of those to whom distribution is made; and

(c) It shall bear a title or name, consist of not less than four (4) pages without a cover, and be of a type to which the general public resorts for passing events of a political, religious, commercial, and social nature, and for current happenings, announcements, miscellaneous reading matter, advertisements, and other notices. The news content shall be at least twenty-five percent (25%) of the total column space in more than one-half (1/2) of its issues during any twelve (12) month period.

(d) If, in a publication area, there is more than one (1) newspaper which meets the above requirements, the newspaper having the largest bona fide paid circulation as shown by the average number of paid copies of each issue as shown in its published statement of ownership filed on October 1 for the publication area shall be the newspaper where advertisements required by law to be published shall be carried.

(e) For the purposes of this section and Sections 2, 3, 5, and 6 of this Act, publishing shall be considered as the total recurring processes of producing the newspaper, embracing all of the included contents of reading matter, illustrations, and advertising enumerated in paragraphs (a) through (d) of this subsection. A newspaper shall not be excluded from qualifying for the purposes of legal publications as provided in this chapter if its printing or reproduction processes take place outside the publication area.

(2) (a) If, in the case of a publication area smaller than the county in which it is located, there is no newspaper published in the area, the publication shall be made in a newspaper published in the county that is qualified under this section to publish advertisements for the county. If the qualified newspaper publishes a zoned edition at least once a week that is distributed to regular subscribers within a specific geographic region of the newspaper's publication area, any advertisement required by law to be published in the publication area may be published in the zoned edition distributed in that area.

(b) If, in any school district, there is no newspaper meeting the requirements of this section for publishing advertisements for that school district, any advertisements required to be published for the school district or for

any publication area within the county shall be published in a newspaper of the largest bona fide circulation in that county published in and qualified to publish advertisements for an adjoining county in Kentucky. This subsection is intended to supersede any statute that provides or contemplates that newspaper publication may be dispensed with if there is no newspaper printed or published or of general circulation in the particular publication area.

(3) If a publication area consists of a school district which extends into more than one (1) county, the part of the district in each county shall be considered to be a separate publication area for the purposes of this section, and an advertisement for each separate publication area shall be published in a newspaper qualified under this section to publish advertisements for the area.

SECTION 5. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

The board of education shall publish in a qualified newspaper the school district budget for the succeeding fiscal year that has been approved by the Kentucky Board of Education as provided in KRS 160.470.

SECTION 6. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) Except where a statute specifically fixes a larger sum as the minimum for a requirement of advertisement for bids, a local board of education shall not make a contract, lease, or other agreement for materials, supplies except perishable meat, fish, and vegetables, equipment, or for contractual services other than professional, involving an expenditure of more than twenty thousand dollars ($20,000) without first making newspaper advertisement for bids.

(2) The procedures on price contracts set forth in KRS 156.076 shall not be available to the school district for any specific item once the bidding procedure has been initiated by an invitation to bid and a publication of specifications for that specific item has been published. In the event that all bids are rejected, the district may again avail itself of the provisions of KRS 156.076.

(3) The requirement to advertise bids in accordance with subsection (1) of this section shall not apply in an emergency if the superintendent of the board of education has duly certified that an emergency exists, and has filed a copy of the certificate with the commissioner of education.

Section 7. KRS 156.076 is amended to read as follows:

The *commissioner of education*[~~chief state school officer~~] shall furnish full information on established price contracts to each district board of education. Any board of education may purchase supplies and equipment from the vendor to whom the contract has been awarded, under the terms of the contract. Any board of education may advertise for its own bids on supplies and equipment which meet the specifications of the contracts awarded by the Division of Material and Procurement Services *in accordance with Section 6 of this Act*. Any board of education, after advertising for bids, may award contracts if the *commissioner of education*[~~chief state school officer~~] certifies that the bid offers supplies and equipment which meet the standards and specifications fixed by the Kentucky Board of Education and that the bid price is lower than that established by the price contract agreement. If supplies and equipment that meet the specifications of the contracts awarded by the Division of Material and Procurement Services or a federal, local, or cooperative agency are available for purchase elsewhere, a board of education may purchase those supplies and equipment without advertising for bids. However, prior to making the purchases, the board of education shall obtain certification from:

(1) The Department of Education for technology components defined in the master plan for education technology for which standards have been established by the Kentucky Board of Education. The department shall certify that the items to be purchased meet or exceed, at a lower cost, the specifications of the components of the original equipment of manufacturers currently holding Kentucky education technology system price contracts; and

(2) The district's finance officer for supplies and equipment other than that described in subsection (1) of this section. He shall certify that the items to be purchased meet the standards and specifications fixed by state price contract, federal (GSA) price contract, the local school district's bid, or the bid of another school district whose bid specifications allow other districts to utilize their bids, and that the sales price is lower than that established by the price contract agreement or available through the bidding process and the price does not exceed two thousand five hundred dollars ($2,500).

Section 8. KRS 157.630 is amended to read as follows:

Bonds of the commission shall be sold in such form and in such manner as the commission deems appropriate in accordance with prevailing market conditions. If the bonds are sold on the basis of sealed bids or proposals, the "publication area," as that term is used in *Section 4 of this Act*[~~KRS Chapter 424~~], shall not be deemed to be the area within which the office of the commission is situated, but shall be deemed to be the "publication area" of the board of education executing the lease. If the bonds are sold on the basis of sealed bids or proposals, the sale shall be publicly advertised by means of a notice *describing what is to be sold, the time and place of the sale or for receipt of bids, and any special terms of the sale*[~~conforming to the provisions of KRS 424.140~~], and the same shall be published at least one (1) time, at least seven (7) days in advance of the date set forth for opening bids, in a daily newspaper having bona fide general circulation throughout the Commonwealth. A board of education may purchase those supplies and equipment without advertising for bids if, prior to making the purchases, the board of education obtains certification from the district's finance or purchasing officer that the items to be purchased meet the standards and specifications fixed by state price contract, federal (GSA) price contract, or the bid of another school district whose bid specifications allow other districts to utilize their bids, and that the sales price is lower than that established by the various price contract agreements or available through the bid of another school district whose bid specifications would allow the district to utilize their bid.~~

~~(b) The procedures set forth in paragraph (a) of this subsection shall not be available to the district for any specific item once the bidding procedure has been initiated by an invitation to bid and a publication of specifications for that specific item has been published. In the event that all bids are rejected, the district may again avail itself of the provisions of paragraph (a) of this subsection.~~

~~(4)~~] This requirement shall not apply in an emergency if the chief executive officer of the city, county, or district has duly certified that an emergency exists, and has filed a copy of the certificate with the chief financial officer of the city, county, or district, or if the sheriff or the county clerk has certified that an emergency exists, and has filed a copy of the certificate with the clerk of the court where his necessary office expenses are fixed pursuant to KRS 64.345 or 64.530, or if the superintendent of the board of education has duly certified that an emergency exists, and has filed a copy of the certificate with the chief state school officer.

~~3. Terminates in this state;~~

~~(e) The furnishing of mobile telecommunications services as defined in 4 U.S.C. sec. 124 to a customer with a service address in this state.~~

(b) Software designed and developed by the author or other creator to the specifications of a specific purchaser

when it is sold to a person other than the original purchaser.

(c) Any portion of prewritten computer software that is modified or enhanced in any manner, where the modification or enhancement is designed and developed to the specifications of a specific purchaser. When a person modifies or enhances computer software of which the person is not the author or creator, the person shall be deemed to be the author or creator only of the modifications or enhancements the person actually made. In the case of modified or enhanced prewritten software, if there is a reasonable, separately stated charge on an invoice or other statement of the price to the purchaser for the modification or enhancement, then the modification or enhancement shall not constitute "prewritten computer software."[~~ and prepaid calling arrangements. For the purposes of this chapter, the term "prepaid calling arrangements" means any right to purchase communications service, which must be paid in advance and which enables the origination of calls using an access number or authorization code, whether manually or electronically dialed. (e) Mobile telecommunications services as defined in Section 8 of this Act, to a purchaser whose place of primary use is in this state[~~on and after July 1, 1990~~].

SECTION 8. A NEW SECTION OF KRS CHAPTER 139 IS CREATED TO READ AS FOLLOWS:

As used in Sections 7, 23, and 29 of this Act:

(1) "Air-ground radiotelephone service" means a radio service, as defined in 47 C.F.R. 22.99, in which common carriers are authorized to offer and provide radio telecommunications service for hire to subscribers in aircraft.

(2) "Call-by-call basis" means any method of charging for communications services where the price is measured by individual calls.

(3) "Communications channel" means a physical or virtual path of communications over which signals are transmitted between or among customer channel termination points.

(a) "Communications service" includes but is not limited to local telephone services, long-distance telephone services, telegraph services, teletypewriter services, prepaid calling services, postpaid calling services, private communication services involving a direct channel specifically dedicated to a customer's use between specific points, channel services involving a path of communications between two (2) or more points, data transport services involving the movement of encoded information between points by means of any electronic, radio, or other medium or method, caller ID services, voice mail and other electronic messaging services, mobile telecommunications service, and Internet telephony involving telephone service in which messages originate or terminate over a public switched telephone network but are transmitted, in part, using transmission control protocol, Internet protocol, or other similar means.

(b) "Communications service" does not include any of the following if the charges are separately itemized on the bill provided to the purchaser:

1. Information services;

2. Internet access;

3. Installation, reinstallation, or maintenance of wiring or equipment on a customer's premises. This exclusion does not apply to any charge attributable to the connection, movement, change, or termination of a communications service;

4. The sale of directory and other advertising and listing services;

5. The sale of one-way paging services;

6. Billing and collection services provided to another communications service provider; and

(5) "Customer" means the person or entity that contracts with the seller of communications services. If the end user of communications services is not the contracting party, the end user of the communications service is the customer of the communications service, but only as it applies to the sourcing of the sale of communications services as provided in Section 23 of this Act. "Customer" does not include a reseller of communications service or a serving carrier providing mobile telecommunications service under an agreement to serve the customer outside the home service provider's licensed service area.

(6) "Customer channel termination point" means the location where the customer or other purchaser either inputs or receives communications.

(7) "End user" means the person who utilized the communications service. In the case of an entity, "end user" means the individual who utilized the service on behalf of the entity.

In the case of mobile telecommunications service, "place of primary use" shall be within the licensed service area of the home service provider.

(11) "Post-paid calling service" means a communications service obtained by making a payment on a call-by-call basis either through the use of a credit card or payment mechanism such as a bank card, travel card, credit card, or debit card, or by charge made to a telephone number not associated with the origination or termination of the communications service. A post-paid calling service includes a communication service that would be a prepaid service except that it is not exclusively a communications service.

(12) "Prepaid calling service" means the right to access exclusively communications services, which are paid for in advance and which enable the origination of calls using an access number or authorization code, whether manually or electronically dialed, and that is sold in predetermined units or dollars of which the number declines with use in a known amount.

(13) "Private communication service" means a communications service that entitles the customer or other purchaser to exclusive or priority use of a communications channel or group of channels between or among termination points, regardless of the manner in which the channel or channels are connected, and includes switching capacity, extension lines, stations, and any other associated services that are provided in connection with the use of a channel or channels.

(c) If the location cannot be determined according to the guidelines set forth in paragraphs (a) and (b) of this subsection, "service address" means the location of the customer's or other purchaser's place of primary use.

Section 9. KRS 139.210 is amended to read as follows:

(1)[~~ The taxes herein imposed shall be collected by the retailer from the consumer.~~

~~(2)~~] Except as provided in subsection (3) of this section, the tax *shall be* required to be collected by the retailer from the *purchaser. If the taxable goods are bundled with services and are sold as a single package for one (1) price, the tax required to be collected by the retailer from the purchaser shall be computed on the entire amount. The tax*[~~consumer~~] shall be displayed separately from the sales price, the price advertised in the premises, the marked price, or other price on the sales receipt or other proof of sales.

(2)[~~(3)~~] The cabinet may relieve certain retailers from the provisions of subsection *(1)*[~~(2)~~] of this section of separate display of the tax when the circumstances of the retailer make compliance impracticable. *If the retailer establishes to the satisfaction of the cabinet that the sales tax has been added to the total amount of the sales price and has not been absorbed by the retailer, the amount of the sales price shall be the amount received exclusive of the tax imposed.*

(3)[~~(4)~~] The taxes collected under this section shall be deemed to be held in trust by the retailer for and on account of the Commonwealth of Kentucky.

(4)[~~(5)~~] The taxes to be collected under this section shall constitute a debt of the retailer to the Commonwealth.

Section 10. KRS 139.220 is amended to read as follows:

It is unlawful for any retailer to advertise or hold out or state to the public or to any customer, directly or indirectly, that the tax levied by KRS 139.200 ***or required to be collected under Section 17 of this Act*** or any part thereof will be assumed or absorbed by the retailer or that it will not be added to the selling price of the property sold or that if added it or any part thereof will be refunded.

Section 11. KRS 139.230 is amended to read as follows:

[~~The cabinet is authorized to prepare suitable brackets of prices for the collection of the taxes imposed by this chapter in order~~]To eliminate fractions of one cent ($0.01), and ***to insure***[~~so~~] that the aggregate collections of taxes by a retailer, so far as may be practicable, shall be equal to six percent (6%) of gross receipts or sales price, as the case may be***, the tax shall be computed by applying the six percent (6%) rate to the sales price carried to the third decimal place and rounded to the nearest cent by eliminating any fraction less than one-half of one cent ($0.005) and increasing any fraction of one-half of one cent ($0.005) or over to the next higher cent***.

Section 12. KRS 139.240 is amended to read as follows:

(1) Every person presently engaged or desiring to engage in or conduct business as a ***retailer or*** seller within this state shall file with the cabinet an application for a permit for each place of business.

(2) Every application for a permit shall:

  (a) Be made upon a form prescribed by the cabinet;

  (b) Set forth the name under which the applicant transacts or intends to transact business and the location of ***the***[~~his~~] place or places of business; ***and***

  (c) Set forth[~~ such~~] other information as the cabinet may require.

(3) The application shall be signed by:

  (a) The owner, if he or she is a natural person;

  (b) A member or partner, if the entity is an association, limited liability company, limited liability partnership, or partnership;

  (c) An executive officer, if the entity is a corporation, or some person specifically authorized by the corporation to sign the application, to which shall be attached written evidence of his or her authority; or

  (d) A licensed certified public accountant, or an attorney licensed to practice law in the Commonwealth of Kentucky, specifically authorized by and acting on behalf of an owner, an association, a partnership, a limited liability company, a limited liability partnership, a corporation, or other business entity.

(4) A written signature shall not be required if the applicant registers electronically.

Section 13. KRS 139.260 is amended to read as follows:

For the purpose of the proper administration of this chapter and to prevent evasion of the ***duty to collect the taxes imposed by Section 7 of this Act and KRS 139.310,***[~~sales tax~~] it shall be presumed that all gross receipts ***and all tangible personal property sold by any person for delivery in this state*** are subject to the tax until the contrary is established. The burden of proving ***the contrary***[~~that a sale of tangible personal property is not a "retail sale" or "sale at retail"~~] is upon the person who makes the sale unless he takes from the purchaser a certificate to the effect that the property is either:

(1) Purchased for resale according to the provisions of KRS 139.270[~~ or 139.410~~];

(2) Purchased through a properly executed certificate of exemption in accordance with ***Section 14 of this Act***[~~KRS 139.490~~];[~~ or~~]

(3) Purchased according to regulations of the Revenue Cabinet governing a direct pay authorization***; or***

(4) Purchased under a form issued pursuant to Section 24 or 25 of this Act.

Section 14. KRS 139.270 is amended to read as follows:

(1) The resale certificate ***or certificate of exemption*** relieves the ***retailer or*** seller from the burden of proof only if taken in good faith from a person who***,***[~~:~~

  ~~(a) Is engaged in the business of selling tangible personal property;~~

  ~~(b) Holds the permit provided for in KRS 139.250; and~~

  ~~(c)~~] at the time of purchasing the tangible personal property***:***[~~,~~]

  (a) Indicates ***an***[~~his~~] intention to sell it in the regular course of business by executing the resale certificate***; or***

  (b) Indicates that the property purchased will be used in an exempt manner by executing a certificate of exemption.

  This relief from liability does not apply to a retailer or seller who fraudulently fails to collect the tax or solicits

purchasers to participate in the unlawful claiming of an exemption.

(2) "Good faith" shall be demonstrated by the ***retailer or*** seller if ***the retailer or seller***[~~he~~]:

(a) Accepts a properly completed resale certificate ***or certificate of exemption; and***[~~;~~]

(b) Maintains a file of ***the***[~~such~~] certificate in accordance with KRS 139.720[~~; and~~

~~(c) Determines that the kind of property being sold to the purchaser is normally offered for resale in the type business operated by the purchaser and that the property, if delivered by the seller, is delivered to the purchaser's business address. The seller is also relieved if the purchaser is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose~~].

(3) If the cabinet later finds that the ***retailer or*** seller exercised good faith according to the provisions of subsection (2) of this section but that the purchaser used the property in a manner that would not have qualified for resale status ***or the purchaser issued a certificate of exemption and used the property in some other manner or for some other purpose***, the cabinet shall hold the purchaser liable for the remittance of the tax and may apply penalties provided in KRS 139.990.

Section 15. KRS 139.280 is amended to read as follows:

(1) The ***resale*** certificate shall:

(a) Be signed by and bear the name and address of the purchaser;

(b) Indicate the number of the permit issued to the purchaser;

(c) Indicate the general character of the tangible personal property sold by the purchaser in the regular course of business.

(2) The certificate shall be substantially in ***a***[~~such~~] form as the cabinet may prescribe.

(3) A signature shall not be required if the purchaser provides the retailer with an electronic resale certificate.

Section 16. KRS 139.290 is amended to read as follows:

(1) If a ***retailer or seller***[~~purchaser~~] who gives a ***resale*** certificate makes any use of the property other than retention, demonstration or display while holding it for sale in the regular course of business, the use shall be taxable to the ***retailer or seller***[~~purchaser~~] as of the time the property is first used by ***the retailer or seller***[~~him~~], and the sales price of the property to ***the retailer or seller***[~~him~~] shall be deemed the measure of the tax.[~~ Only when there is an unsatisfied use tax liability on this basis shall the seller be liable for sales tax with respect to the sale of the property to the purchaser. ~~]

(2) If the sole use of the property ***by the retailer*** other than retention, demonstration or display in the regular course of business is the rental of the property while holding it for sale, the ***retailer***[~~purchaser~~] shall include in[~~ his~~] gross receipts the amount of the rental charged rather than the sales price of the property[~~ to him~~].

(3) If a retailer sells tangible personal property before making any use thereof, other than retention, demonstration, or display while holding it for sale in the regular course of business, the retailer may take a deduction of the purchase price of the property if, with respect to its purchase, the retailer has reimbursed the vendor for the sales tax or has paid the use tax. If a deduction is taken by the retailer, no refund or credit shall be allowed to the vendor with respect to the sale of that property.

Section 17. KRS 139.340 is amended to read as follows:

(1) Except as provided in KRS 139.470 and 139.480, every retailer engaged in business in this state ***shall***[~~and making sales of tangible personal property for storage, use or other consumption in this state, shall, at the time of making the sales, or, if the storage, use or other consumption of the tangible personal property is not then taxable hereunder, at the time the storage, use or other consumption becomes taxable,~~] collect the tax ***imposed by***[~~levied under~~] KRS 139.310 from the purchaser and give to the purchaser a receipt therefor in the manner and form prescribed by the cabinet. The taxes collected or required to be collected by the retailer under this section shall be deemed to be held in trust for and on account of the Commonwealth of Kentucky.

(2) "Retailer engaged in business in this state" as used in this chapter includes any of the following:

(a) Any retailer maintaining, occupying, or using, permanently or temporarily, directly or indirectly, or through a subsidiary, or agent, by whatever name called, an office, place of distribution, sales or sample room or place, warehouse or storage place, or other place of business. Property owned by a person who has contracted with a printer for printing, which consists of the final printed product, property which becomes a part of the final printed product, or copy from which the printed product is produced, and which is located at the premises of the printer, shall not be deemed to be an office, place of distribution, sales or sample room or place, warehouse or storage place, or other place of business maintained, occupied, or used by the person;

(b) Any retailer having any representative, agent, salesman, canvasser, or solicitor operating in this state under the authority of the retailer or its subsidiary for the purpose of selling, delivering, or the taking of orders for any tangible personal property. An unrelated printer with which a person has contracted for printing shall not be deemed to be a representative, agent, salesman, canvasser, or solicitor for the person;

(c) Any retailer soliciting orders for tangible personal property from residents of this state on a continuous, regular, or systematic basis in which the solicitation of the order, placement of the order by the customer or the payment for the order utilizes the services of any financial institution, telecommunication system, radio or television station, cable television service, print media, or other facility or service located in this state;

(d) Any retailer deriving receipts from the lease or rental of tangible personal property situated in this state; or

(e) Any retailer soliciting orders for tangible personal property from residents of this state on a continuous, regular, systematic basis if the retailer benefits from an agent operating in this state under the authority of the retailer to repair or service tangible personal property sold by the retailer.

Section 18. KRS 139.350 is amended to read as follows:

(1) A retailer ***may deduct as a bad debt the amount***[~~is relieved from liability to collect use tax which shall become due and payable subsequent to June 30, 1960, insofar as the measure of the tax is represented by accounts which have been~~] found to be worthless and charged off for income tax purposes ***provided the retailer is reporting and remitting the tax on the accrual basis. The retailer may take the deduction on the return for the period during which the bad debt is written off as uncollectable in the retailer's books and records and is eligible to be charged off for income tax purposes. For purposes of this section, "charged off for income tax purposes" includes the charging off of unpaid balances due on accounts determined to be uncollectable, or declaring as uncollectable the unpaid balance due on accounts if a retailer is not required to file federal income tax returns.***

(2) In determining the basis for calculating bad debt recovery, the definition of "bad debt" as provided in 26 U.S.C. sec. 166 shall be used, except "bad debt" shall not include financing charges or interest, sales or use taxes charged on the purchase price, uncollectable amounts on property that remains in the possession of the retailer until the full purchase price is paid, expenses incurred in attempting to collect any debt, or repossessed property.

(3) Nothwithstanding KRS 131.183, any deduction taken for bad debts shall not include interest.

(4) A retailer may obtain a refund of tax on the amount of bad debt that exceeds the amount of taxable sales for the period during which the bad debt is written off. Notwithstanding KRS 131.183, the refund claim must be made within four (4) years from the due date of the return on which the bad debt could first be claimed[~~ If the retailer has previously paid the amount of the tax, he may, under rules and regulations prescribed by the cabinet, take as a deduction the amount found worthless and charged off for income tax purposes~~].

(5) If any ***bad debt***[~~such~~] accounts are thereafter in whole or in part collected by the retailer, the amount[~~ so~~] collected shall be included in the[~~ first~~] return filed ***for the period in which the***[~~after such~~] collection ***is made*** and the amount of the tax ***due shall be***[~~thereon~~] paid with the return.

(6) If a retailer's filing responsibilities have been assumed by a certified service provider as provided by KRS 139.795, the certified service provider may claim, on behalf of the retailer, any bad debt allowance provided by this section. The certified service provider shall credit or refund the full amount of any bad debt allowance or refund received to the retailer.

(7) For purposes of computing a bad debt deduction or reporting a payment received on a previously claimed bad debt, any payments made on a debt or account shall be applied first to the price of the property or service and the sales tax on it, proportionally, and secondly to interest, service charges, and any other charges.

Section 19. KRS 139.380 is amended to read as follows:

(14) (a) "Service address" means the location of communications equipment to which a customer's or other purchaser's call is charged and from which the call originates or terminates, regardless of where the call is billed or paid.

(b) If the location of the communications equipment is not known, "service address" means the origination point of the signal of the communications services first identified by either the seller's communications system or in information received by the seller from its service provider, where the system used to transport the signals is not that of the seller.

(c) If the location cannot be determined according to the guidelines set forth in paragraphs (a) and (b) of this subsection, "service address" means the location of the customer's or other purchaser's place of primary use.

Section 9. KRS 139.210 is amended to read as follows:

(1)[~~The taxes herein imposed shall be collected by the retailer from the consumer.~~

~~(2)~~] Except as provided in subsection (3) of this section, the tax *shall be* required to be collected by the retailer from the *purchaser. If the taxable goods are bundled with services and are sold as a single package for one (1) price, the tax required to be collected by the retailer from the purchaser shall be computed on the entire amount. The tax*[~~consumer~~] shall be displayed separately from the sales price, the price advertised in the premises, the marked price, or other price on the sales receipt or other proof of sales.

(2)[~~(3)~~] The cabinet may relieve certain retailers from the provisions of subsection *(1)*[~~(2)~~] of this section of separate display of the tax when the circumstances of the retailer make compliance impracticable. *If the retailer establishes to the satisfaction of the cabinet that the sales tax has been added to the total amount of the sales price and has not been absorbed by the retailer, the amount of the sales price shall be the amount received exclusive of the tax imposed.*

(3)[~~(4)~~] The taxes collected under this section shall be deemed to be held in trust by the retailer for and on account of the Commonwealth of Kentucky.

(4)[~~(5)~~] The taxes to be collected under this section shall constitute a debt of the retailer to the Commonwealth.

Section 10. KRS 139.220 is amended to read as follows:

It is unlawful for any retailer to advertise or hold out or state to the public or to any customer, directly or indirectly, that the tax levied by KRS 139.200 *or required to be collected under Section 17 of this Act* or any part thereof will be assumed or absorbed by the retailer or that it will not be added to the selling price of the property sold or that if added it or any part thereof will be refunded.

Section 11. KRS 139.230 is amended to read as follows:

[~~The cabinet is authorized to prepare suitable brackets of prices for the collection of the taxes imposed by this chapter in order~~]To eliminate fractions of one cent ($0.01), and *to insure*[~~so~~] that the aggregate collections of taxes by a retailer, so far as may be practicable, shall be equal to six percent (6%) of gross receipts or sales price, as the case may be*, the tax shall be computed by applying the six percent (6%) rate to the sales price carried to the third decimal place and rounded to the nearest cent by eliminating any fraction less than one-half of one cent ($0.005) and increasing any fraction of one-half of one cent ($0.005) or over to the next higher cent*.

Section 12. KRS 139.240 is amended to read as follows:

(1) Every person presently engaged or desiring to engage in or conduct business as a *retailer or* seller within this state shall file with the cabinet an application for a permit for each place of business.

(2) Every application for a permit shall:

(a) Be made upon a form prescribed by the cabinet;

(b) Set forth the name under which the applicant transacts or intends to transact business and the location of ***the***[~~his~~] place or places of business; ***and***

(c) Set forth[~~ such~~] other information as the cabinet may require.

(3) The application shall be signed by:

(a) The owner, if he or she is a natural person;

(b) A member or partner, if the entity is an association, limited liability company, limited liability partnership, or partnership;

(c) An executive officer, if the entity is a corporation, or some person specifically authorized by the corporation to sign the application, to which shall be attached written evidence of his or her authority; or

(d) A licensed certified public accountant, or an attorney licensed to practice law in the Commonwealth of Kentucky, specifically authorized by and acting on behalf of an owner, an association, a partnership, a limited liability company, a limited liability partnership, a corporation, or other business entity.

(4) A written signature shall not be required if the applicant registers electronically.

Section 13. KRS 139.260 is amended to read as follows:

For the purpose of the proper administration of this chapter and to prevent evasion of the ***duty to collect the taxes imposed by Section 7 of this Act and KRS 139.310,***[~~sales tax~~] it shall be presumed that all gross receipts ***and all tangible personal property sold by any person for delivery in this state*** are subject to the tax until the contrary is established. The burden of proving ***the contrary***[~~that a sale of tangible personal property is not a "retail sale" or "sale at retail"~~] is upon the person who makes the sale unless he takes from the purchaser a certificate to the effect that the property is either:

(1) Purchased for resale according to the provisions of KRS 139.270[~~ or 139.410~~];

(2) Purchased through a properly executed certificate of exemption in accordance with ***Section 14 of this Act***[~~KRS 139.490~~];[~~ or~~]

(3) Purchased according to regulations of the Revenue Cabinet governing a direct pay authorization***; or***

(4) Purchased under a form issued pursuant to Section 24 or 25 of this Act.

Section 14. KRS 139.270 is amended to read as follows:

(1) The resale certificate ***or certificate of exemption*** relieves the ***retailer or*** seller from the burden of proof only if taken in good faith from a person who***,***[~~:~~

~~(a) Is engaged in the business of selling tangible personal property;~~

~~(b) Holds the permit provided for in KRS 139.250; and~~

~~(c)~~] at the time of purchasing the tangible personal property***:***[~~,~~]

(a) Indicates ***an***[~~his~~] intention to sell it in the regular course of business by executing the resale certificate***; or***

(b) Indicates that the property purchased will be used in an exempt manner by executing a certificate of exemption.

This relief from liability does not apply to a retailer or seller who fraudulently fails to collect the tax or solicits purchasers to participate in the unlawful claiming of an exemption.

(2) "Good faith" shall be demonstrated by the ***retailer or*** seller if ***the retailer or seller***[~~he~~]:

(a) Accepts a properly completed resale certificate ***or certificate of exemption; and***[~~;~~]

(b) Maintains a file of ***the***[~~such~~] certificate in accordance with KRS 139.720[~~; and~~

~~(c) Determines that the kind of property being sold to the purchaser is normally offered for resale in the type business operated by the purchaser and that the property, if delivered by the seller, is delivered to the purchaser's business address. The seller is also relieved if the purchaser is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose~~].

(3) If the cabinet later finds that the ***retailer or*** seller exercised good faith according to the provisions of subsection (2) of this section but that the purchaser used the property in a manner that would not have qualified for resale status ***or the purchaser issued a certificate of exemption and used the property in some other manner or for some other purpose***, the cabinet shall hold the purchaser liable for the remittance of the tax and may apply penalties provided in KRS 139.990.

Section 15. KRS 139.280 is amended to read as follows:

(1) The ***resale*** certificate shall:

(a) Be signed by and bear the name and address of the purchaser;

(b) Indicate the number of the permit issued to the purchaser;

(c) Indicate the general character of the tangible personal property sold by the purchaser in the regular course of business.

(2) The certificate shall be substantially in ***a***~~[such]~~ form as the cabinet may prescribe.

(3) A signature shall not be required if the purchaser provides the retailer with an electronic resale certificate.

Section 16. KRS 139.290 is amended to read as follows:

(1) If a ***retailer or seller***~~[purchaser]~~ who gives a ***resale*** certificate makes any use of the property other than retention, demonstration or display while holding it for sale in the regular course of business, the use shall be taxable to the ***retailer or seller***~~[purchaser]~~ as of the time the property is first used by ***the retailer or seller***~~[him]~~, and the sales price of the property to ***the retailer or seller***~~[him]~~ shall be deemed the measure of the tax.~~[Only when there is an unsatisfied use tax liability on this basis shall the seller be liable for sales tax with respect to the sale of the property to the purchaser.]~~

(2) If the sole use of the property ***by the retailer*** other than retention, demonstration or display in the regular course of business is the rental of the property while holding it for sale, the ***retailer***~~[purchaser]~~ shall include in~~[his]~~ gross receipts the amount of the rental charged rather than the sales price of the property~~[to him]~~.

(3) If a retailer sells tangible personal property before making any use thereof, other than retention, demonstration, or display while holding it for sale in the regular course of business, the retailer may take a deduction of the purchase price of the property if, with respect to its purchase, the retailer has reimbursed the vendor for the sales tax or has paid the use tax. If a deduction is taken by the retailer, no refund or credit shall be allowed to the vendor with respect to the sale of that property.

Section 17. KRS 139.340 is amended to read as follows:

(1) Except as provided in KRS 139.470 and 139.480, every retailer engaged in business in this state ***shall***~~[and making sales of tangible personal property for storage, use or other consumption in this state, shall, at the time of making the sales, or, if the storage, use or other consumption of the tangible personal property is not then taxable hereunder, at the time the storage, use or other consumption becomes taxable,]~~ collect the tax ***imposed by***~~[levied under]~~ KRS 139.310 from the purchaser and give to the purchaser a receipt therefor in the manner and form prescribed by the cabinet. The taxes collected or required to be collected by the retailer under this section shall be deemed to be held in trust for and on account of the Commonwealth of Kentucky.

(2) "Retailer engaged in business in this state" as used in this chapter includes any of the following:

(a) Any retailer maintaining, occupying, or using, permanently or temporarily, directly or indirectly, or through a subsidiary, or agent, by whatever name called, an office, place of distribution, sales or sample room or place, warehouse or storage place, or other place of business. Property owned by a person who has contracted with a printer for printing, which consists of the final printed product, property which becomes a part of the final printed product, or copy from which the printed product is produced, and which is located at the premises of the printer, shall not be deemed to be an office, place of distribution, sales or sample room or place, warehouse or storage place, or other place of business maintained, occupied, or used by the person;

(b) Any retailer having any representative, agent, salesman, canvasser, or solicitor operating in this state under the authority of the retailer or its subsidiary for the purpose of selling, delivering, or the taking of orders for any tangible personal property. An unrelated printer with which a person has contracted for printing shall not be deemed to be a representative, agent, salesman, canvasser, or solicitor for the person;

(c) Any retailer soliciting orders for tangible personal property from residents of this state on a continuous, regular, or systematic basis in which the solicitation of the order, placement of the order by the customer or the payment for the order utilizes the services of any financial institution, telecommunication system, radio or television station, cable television service, print media, or other facility or service located in this state;

(d) Any retailer deriving receipts from the lease or rental of tangible personal property situated in this state; or

(e) Any retailer soliciting orders for tangible personal property from residents of this state on a continuous, regular, systematic basis if the retailer benefits from an agent operating in this state under the authority of the retailer to repair or service tangible personal property sold by the retailer.

Section 18. KRS 139.350 is amended to read as follows:

(1) A retailer ***may deduct as a bad debt the amount***~~[is relieved from liability to collect use tax which shall become due and payable subsequent to June 30, 1960, insofar as the measure of the tax is represented by accounts which have been]~~ found to be worthless and charged off for income tax purposes ***provided the retailer is reporting and remitting the tax on the accrual basis. The retailer may take the deduction on the return for the period during which the bad debt is written off as uncollectable in the retailer's books and records and is eligible to be charged off for income tax purposes. For purposes of this section, "charged off for income tax purposes" includes the charging off of unpaid balances due on accounts determined to be uncollectable, or declaring as uncollectable the unpaid balance due on accounts if a retailer is not required to file federal income tax returns.***

(2) In determining the basis for calculating bad debt recovery, the definition of "bad debt" as provided in 26 U.S.C. sec. 166 shall be used, except "bad debt" shall not include financing charges or interest, sales or use taxes charged on the purchase price, uncollectable amounts on property that remains in the possession of the retailer until the full purchase price is paid, expenses incurred in attempting to collect any debt, or repossessed property.

(3) Nothwithstanding KRS 131.183, any deduction taken for bad debts shall not include interest.

(4) A retailer may obtain a refund of tax on the amount of bad debt that exceeds the amount of taxable sales for the period during which the bad debt is written off. Notwithstanding KRS 131.183, the refund claim must be made within four (4) years from the due date of the return on which the bad debt could first be claimed[~~ If the retailer has previously paid the amount of the tax, he may, under rules and regulations prescribed by the cabinet, take as a deduction the amount found worthless and charged off for income tax purposes~~].

(5) If any ***bad debt***[~~such~~] accounts are thereafter in whole or in part collected by the retailer, the amount[~~ so~~] collected shall be included in the[~~ first~~] return filed ***for the period in which the***[~~after such~~] collection ***is made*** and the amount of the tax ***due shall be***[~~thereon~~] paid with the return.

(6) If a retailer's filing responsibilities have been assumed by a certified service provider as provided by KRS 139.795, the certified service provider may claim, on behalf of the retailer, any bad debt allowance provided by this section. The certified service provider shall credit or refund the full amount of any bad debt allowance or refund received to the retailer.

(7) For purposes of computing a bad debt deduction or reporting a payment received on a previously claimed bad debt, any payments made on a debt or account shall be applied first to the price of the property or service and the sales tax on it, proportionally, and secondly to interest, service charges, and any other charges.

Section 19. KRS 139.380 is amended to read as follows:

The tax required to be collected by the retailer under KRS 139.340 from the purchaser shall be displayed separately from the list price, the price advertised in the premises, the marked price, or other price on the sales check or other proof of sales. ***If taxable goods are bundled with services and are sold as a single package for one (1) price, the tax required to be collected by the retailer from the purchaser shall be computed on the entire amount and shall be displayed separately from the list price, the price advertised on the premises, the marked price, or other price on the sales check or other proof of sales.***

Section 20. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

(1) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property[~~ the gross receipts from the sale of which, or the storage, use, or other consumption of~~] which[~~,~~] this state is prohibited from taxing under the Constitution or laws of the United States, or under the Constitution of this state;

(2) Gross receipts from sales of, and the storage, use, or other consumption in this state of:

(a) Nonreturnable and returnable containers when sold without the contents to persons who place the contents in the container and sell the contents together with the container; and

(b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

(3) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property used for the performance of a lump-sum, fixed-fee contract of public works executed prior to February 5, 1960;

(4) Gross receipts from occasional sales of tangible personal property and the storage, use, or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

(5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the ***retailer***[~~seller~~] via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;

(6) Gross receipts from sales of tangible personal property sold through coin-operated bulk vending machines, if the sale amounts to fifty cents ($0.50) or less, if the retailer is primarily engaged in making the sales and maintains records satisfactory to the cabinet. As used in this subsection, "bulk vending machine" means a vending machine containing unsorted merchandise which, upon insertion of a coin, dispenses the same in approximately equal portions, at random and without selection by the customer;

(7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities, or special districts as defined in KRS 65.005. This exemption shall apply only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit shall not be entitled to the exemption even though the purchaser may be the recipient of public funds or grants;

(8) (a) Gross receipts from the sale of sewer services, water, and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. As used in this subsection, "fuel" shall include but not be limited to natural gas, electricity, fuel oil, bottled gas, coal, coke, and wood. Determinations of eligibility for the exemption shall be made by the Revenue Cabinet;

(b) In making the determinations of eligibility, the cabinet shall exempt from taxation all gross receipts derived from sales:

1. Classified as "residential" by a utility company as defined by applicable tariffs filed with and accepted by the Public Service Commission;

2. Classified as "residential" by a municipally owned electric distributor which purchases its power at wholesale from the Tennessee Valley Authority;

3. Classified as "residential" by the governing body of a municipally owned electric distributor which does not purchase its power from the Tennessee Valley Authority, if the "residential" classification is reasonably consistent with the definitions of "residential" contained in tariff filings accepted and approved by the Public Service Commission with respect to utilities which are subject to Public Service Commission regulation.

If the service is classified as residential, use other than for "residential" purposes by the customer shall not negate the exemption;

(c) The exemption shall not apply if charges for sewer service, water, and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and

(d) The exemption shall apply also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years;

(9) Any rate increase for school taxes and any other charges or surcharges added to the total amount of a residential telephone bill;

(10) Gross receipts from sales to an out-of-state agency, organization, or institution exempt from sales and use tax in its state of residence when that agency, organization, or institution gives proof of its tax-exempt status to the ***retailer***[~~seller~~] and the ***retailer***[~~seller~~] maintains a file of the proof;

(11) Gross receipts derived from the sale of, and the storage, use, or other consumption in this state of, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property at a plant facility and which will be for sale[~~ are not subject to the sales or use tax~~]. The property shall be regarded as having been purchased for resale. "Plant facility" shall have the same meaning as defined in KRS 139.170(3). For purposes of this subsection, a manufacturer or industrial processor includes an individual or business entity that performs only part of the manufacturing or industrial processing activity and the person or business entity need not take title to tangible personal property that is incorporated into, or becomes the product of, the activity.

This group is limited to hand tools such as jigs, dies, drills, cutters, rolls, reamers, chucks, saws, spray guns, etc., and to tools attached to a machine such as molds, grinding balls, grinding wheels, dies, bits, cutting blades, etc. Normally, for industrial tools to be considered directly used in manufacturing, they shall come into direct contact with the product being manufactured.

3. Materials and supplies that are not reusable in the same manufacturing process at the completion of a single manufacturing cycle, excluding repair, replacement, or spare parts of any kind. A single manufacturing cycle shall be considered to be the period elapsing from the time the raw materials enter into the manufacturing process until the finished product emerges at the end of the manufacturing process.

(b) It shall be noted that in none of the three (3) categories is any exemption provided for repair, replacement, or spare parts. Repair, replacement, or spare parts shall not be considered to be materials, supplies, or industrial tools directly used in manufacturing or industrial processing. "Repair, replacement, or spare parts" shall have the same meaning as set forth in KRS 139.170;

2. "Newspaper inserts" means printed materials that are placed in or distributed with a newspaper of general circulation.

(b) The ***retailer***[~~seller~~] shall be responsible for establishing that delivery was made to a non-Kentucky location through shipping documents or other credible evidence as determined by the cabinet;

(14) Gross receipts from the sale of water used in the raising of equine as a business;

(15) Gross receipts from the sale of metal retail fixtures manufactured in this state and purchased for storage, use, or other consumption outside this state and delivered by the ***retailer's***[~~seller's~~] own vehicle to a location outside this state, or delivered to the United States Postal Service, a common carrier, or a contract carrier for delivery outside this state, regardless of whether the carrier is selected by the ***purchaser***[~~buyer~~] or ***retailer***[~~seller~~] or an agent or representative of the ***purchaser***[~~buyer~~] or ***retailer***[~~seller~~], or whether the F.O.B. is ***the retailer's***[~~seller's~~] shipping point or ***the purchaser's***[~~buyer's~~] destination.

(a) As used in this subsection, "metal retail fixtures" means check stands and belted and nonbelted checkout counters, whether made in bulk or pursuant to specific ***purchaser***[~~customer~~] specifications, that are to be used directly by the purchaser or to be distributed by the purchaser.

(17) Gross receipts from the sale of property returned by a purchaser when the full sales price is refunded either in cash or credit. This exclusion shall not apply if the purchaser, in order to obtain the refund, is required to purchase other property at a price greater than the amount charged for the property that is returned;

(18) Gross receipts from the sales of gasoline and special fuels subject to tax under KRS Chapter 138;

(19) The amount of any tax imposed by the United States upon or with respect to retail sales, whether imposed on the retailer or the consumer, not including any manufacturer's excise or import duty;

(1) Other provisions of the Kentucky Revised Statutes notwithstanding, a track may apply to the commission for simulcasting and intertrack wagering dates. Applications shall be submitted in accordance with KRS 230.300. The commission shall not approve the establishment or relocation of a receiving track within a radius of seventy-five (75) miles of a race track duly licensed as of July 15, 1992, without the prior written consent of the licensed track within whose seventy-five (75) mile radius the new receiving track would be located.

(2) On or before November 1 of each year, the commission shall meet and award intertrack wagering dates to all tracks for the entire succeeding calendar year. In a geographic area containing more than one (1) track within a fifty (50) mile radius of another track, intertrack wagering***, except for quarter horse racing,*** shall be limited to simulcasting and wagering on racing of the same breed of horse as the receiving track was licensed to race on or before July 15, 1998.

(3) The commission shall approve no more than nine (9) tracks for participation in horse racing, intertrack wagering, and simulcasting. Any approval by the commission of a change in location of these tracks shall be subject to the local-approval process contained in KRS 230.380.

(a) Each track shall be permitted to exempt one (1) day of racing from simulcasting to both receiving tracks and simulcast facilities, at its discretion;

(b) Tracks in a county containing a city of the first class or a consolidated local government and tracks in an urban-county government shall not be required to simulcast to each other or to any other facility in those counties. This provision shall not be construed as requiring tracks within the same county to simulcast to each other; and

(c) In the absence of a contract between a host track and a receiving track, the commission shall be split as provided for in KRS 230.378(3).

(5) A track may receive simulcasts and conduct interstate wagering thereon subject to the following limitations which shall be in addition to the limitations set forth in KRS 230.3771:

(a) A track licensed to conduct thoroughbred racing may receive simulcasts and conduct interstate wagering on all thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., without further consents or approvals.

(b) A track licensed to conduct harness racing may receive simulcasts and conduct interstate wagering on all harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars ($75,000) without further consents or approvals.

(d) A track which applies to the commission to receive an interstate race of a different breed than the breed for which it is licensed by the commission shall receive any simulcast of an interstate race through the intertrack wagering system upon approval by the commission. ***Notwithstanding the foregoing, a track licensed to conduct horse racing may receive simulcasts and conduct interstate wagering on quarter horse races, subject to the limitations of Section 3 of this Act.***

(e)[~~(d)~~]A track may receive simulcasts of special event races conducted in other states or foreign countries which are determined by the commission to be of sufficient national or international significance or interest to warrant interstate wagering and if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., the Kentucky Division of the Horseman's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness Horsemen's Association for harness racing, and any track conducting live horse races of the same breed at the same time as the simulcast race.

(f)[~~(e)~~] A track may also receive simulcasts and conduct interstate wagering on thoroughbred horse races other than those described in paragraphs (a) and *(e)*[~~(d)~~] of this subsection if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., and the Kentucky Horsemen's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness Horsemen's Association, or its successor, for harness racing.

(g)[~~(f)~~] The consent required by paragraph *(f)*[~~(e)~~] of this subsection or by subsections (1)(g) and (2)(g) of KRS 230.3771 shall not be withheld:

1. For any reason not specifically related to financial harm to live horse racing; or
2. As a condition to the granting of any contractual or other concession not specifically related to the effects of interstate simulcasting on live horse racing in this Commonwealth, taken as a whole.

(h)[~~(g)~~] A host track located in this state may receive simulcasting of not more than two (2) full cards of racing from another state, if both tracks race horses of the same breed and if:

1. The race date was previously granted by the Kentucky Racing Commission to conduct live racing at the track located in this state;
2. Live racing was canceled due to weather conditions; and
3. The consent required by paragraph *(e)*[~~(d)~~] of this subsection is obtained.

(i)[~~(h)~~] The in-state track receiving the simulcast specified in paragraph *(h)*[~~(g)~~] of this subsection shall offer that simulcast to all participating tracks and simulcast facilities in the intertrack wagering system.

(j)[~~(i)~~] All interstate simulcasting shall be conducted in accordance with applicable federal laws.

(6) The commission may promulgate necessary and reasonable administrative regulations for the purpose of administering the conduct of intertrack or interstate wagering and regulating the conditions under which wagering shall be held and conducted. Administrative regulations shall provide for the prevention of practices detrimental to the public interest and to impose penalties for violations. All administrative regulations shall be in conformity with the provisions of KRS Chapter 13A, KRS 138.510, and this chapter.

(7) Subsections (2) and (3) of this section shall apply only to intertrack wagering dates awarded for calendar year 1993 and thereafter, and any unresolved intertrack wagering dates for calendar year 1992 shall be awarded pursuant to applicable provisions of law in effect immediately prior to March 30, 1992.

Section 3. KRS 230.3771 is amended to read as follows:

(1) A thoroughbred track licensed to conduct thoroughbred racing may receive interstate simulcasts of thoroughbred horse races ***and quarter horse races,*** and conduct interstate wagering thereon, subject to the following limitations:

(a) A thoroughbred receiving track may receive interstate simulcasts of thoroughbred races and conduct interstate wagering thereon at any time of day and during any live thoroughbred horse race meet conducted in the Commonwealth of Kentucky so long as the thoroughbred receiving track conducting interstate wagering remits to the thoroughbred host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.

(b) A thoroughbred host track which receives interstate simulcasts and conducts interstate wagering thereon during the period of time from the first awarded day of its live meet through the last awarded day of its live meet shall offer the simulcasts to all thoroughbred receiving tracks, all harness tracks not subject to the provisions of KRS 230.377(2), and all simulcast facilities through the intertrack wagering system.

(c) Except as otherwise prohibited by law, a receiving track shall conduct intertrack wagering on all live races of all thoroughbred host tracks on any day on which it receives an interstate simulcast for the purpose of conducting interstate wagering.

(d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.

(e) If more than one (1) thoroughbred track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast of thoroughbred races unless all thoroughbred tracks conducting live racing at the same time of day agree upon all interstate simulcasts to be received and the division of the thoroughbred host track's commission. If more than one (1) thoroughbred track conducts live racing at different times on the same day, the thoroughbred host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and concludes ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.

(f) Each thoroughbred track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the commission for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.

(g) Notwithstanding subsection (f) of this subsection, any thoroughbred track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Horsemen's Benevolent and Protective Association and the Kentucky Thoroughbred Owners and Breeders Association, Inc.

(h) A separate accounting on all interstate simulcasting shall be submitted to the commission. The accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.

(i) If the only simulcast or simulcasts a track participating as a host track makes available for interstate wagering through this state's intertrack wagering system on any race day are thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a thoroughbred host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.

(j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;
2. Twenty-five percent (25%) to the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, an additional twenty-five percent (25%) shall be retained by the receiving track where the interstate wagering occurs;
3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and
4. Twenty-five percent (25%) to the purse program of the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, then an additional twenty-five percent (25%) shall be paid to the purse program of the receiving track where the interstate wagering occurs.

(k) A simulcast facility's commission on interstate wagering on thoroughbred racing, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).

(2) A harness track licensed to conduct harness racing may receive interstate simulcasts of harness horse races and conduct interstate wagering thereon subject to the following limitations:

(a) A harness receiving track may receive interstate simulcasts of harness races ***and quarter horse races,*** and conduct interstate wagering thereon at any time of day and during the course of any live harness horse race meet conducted in the Commonwealth of Kentucky so long as the harness receiving track conducting interstate wagering remits to the harness host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.

(b) A harness host track which receives an interstate simulcast and conducts interstate wagering thereon during its live race meet shall offer the simulcasts to all thoroughbred receiving tracks not subject to the provisions of KRS 230.377(2), all harness tracks, and all simulcast facilities through the intertrack wagering system.

(c) Except as otherwise prohibited by law, a harness receiving track or a simulcast facility shall conduct intertrack wagering on all live races of a harness host track on any day it receives an interstate simulcast from a harness host track.

(d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.

(e) If more than one (1) harness track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast on harness races unless all harness tracks conducting live racing at that time of day agree upon the interstate simulcast to be received and the division of the harness host track's commission. If more than one (1) harness track conducts live racing at different times on the same day, the harness host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and conclude ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.

(f) Each harness track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the commission for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.

(g) Notwithstanding subsection (f) of this subsection, any harness track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Harness Horsemen's Association, or its successor.

(h) A separate accounting on all interstate simulcasting shall be submitted to the commission. This accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.

(i) If the only simulcast or simulcasts a track participating as a harness host track makes available for interstate wagering through this state's intertrack wagering system on any race day are harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars ($75,000), then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a harness host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.

(j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;
2. Twenty-five percent (25%) to the harness host track designated by paragraphs (a) and (e) of this subsection. However, if no live meet is occurring, an additional twenty-five percent (25%) shall be retained by the receiving track where the interstate wagering occurs;
3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and
4. Twenty-five percent (25%) to the purse program of the harness host track designated by paragraphs (a) and (e) of this subsection. However, if no live meet is occurring, an additional twenty-five percent (25%) shall be paid to the purse program of the receiving track where the interstate wagering occurs.

(k) A simulcast facility's commission on interstate wagering on harness races, after deduction of applicable taxes and any amount required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).

WHEREAS, the American Psychiatric Association clinically defines compulsive gaming as a pathological disorder that requires treatment; and

WHEREAS, the National Gambling Impact Study of 1999 contended that problem gambling then cost society at least five billion dollars ($5,000,000,000) annually in health care and social services, creditor losses, and decreased productivity; and

WHEREAS, there exists no comprehensive study of compulsive gambling in Kentucky;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

HJR 140, A JOINT RESOLUTION directing the Natural Resources and Environmental Protection Cabinet (NREPC) to rescind the Kentucky Pollutant Discharge Elimination System (KPDES) general coal permit dated August 11, 2002, and reinstate the KPDES general coal permit existing prior to that date, and declaring an emergency.

WHEREAS, KPDES is Kentucky's program implementing the National Pollutant Discharge Elimination System, which requires anyone making a point source discharge of pollutants into waters of the Commonwealth to implement a detailed water quality and monitoring program; and

WHEREAS, the program requirements for a KPDES permit including monitoring of discharge pollutants from coal mining and reclamation operations normally are implemented by administrative regulation, but the NREPC has mandated testing for oil and grease without the review or approval of the Administrative Regulation Review Subcommittee; and

WHEREAS, KPDES normally requires coal operators to test for pH, alkalinity, acidity, total iron, total manganese, sulfates, and suspended solids and other pollutants as identified in 401 KAR 5:029 and 401 KAR 5:050-085 inclusive; and

WHEREAS, administrative regulations do not set forth a requirement for coal mining operations or reclamation operations to test for oil and grease; and

WHEREAS, the cost of the additional monthly tests for oil and grease will cost approximately thirty to fifty dollars ($30-$50) per sample per discharge point; and

WHEREAS, each coal mining operation and reclamation site will have numerous discharge points to test; and

WHEREAS, there are two thousand and fifty (2,050) inspectable mine units which includes active mines and reclaimed mine sites that have not obtained final bond release both of which will be affected by the new KPDES requirement to test for oil and grease;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The Natural Resources and Environmental Protection Cabinet shall, within ten days after the effective date of this Resolution, rescind the KPDES general coal permit dated August 11, 2002 that requires coal mining operations and inspectable surface mining reclamation sites to test for oil and grease.

Section 2. Immediately thereafter, the Natural Resources and Environmental Protection Cabinet shall reinstate the KPDES general coal permit in effect prior to August 2002 that does not include the requirement to test for oil and grease.

Section 3. Any future testing requirements under the KPDES permit imposed on coal mining operations or inspectable surface mining reclamation operations shall be made a part of the general permit by amending the program requirements by administrative regulation pursuant to KRS Chapter 13A.

Section 4. Whereas the additional tests under the KPDES general coal permit impose an undue burden on the coal operators of the Commonwealth, an emergency is declared to exist and this Resolution takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

(b) The Kentucky Retirement Systems and the Kentucky Teachers' Retirement System shall determine the administrative costs to be incurred under this section and notify the Personnel Cabinet of the amounts, including lists of non-participating employers and the number of active employees of non-participating employers who participate in the Kentucky Retirement Systems or the Kentucky Teachers' Retirement System. The administrative costs shall include all expenses associated with the administration of the insurance subsidy account, including attorney fees and court costs, incurred by the Kentucky Retirement Systems or the Kentucky Teachers' Retirement System or to which either entity may be subject by reason of their activities in administering the insurance subsidy escrow account or otherwise arising out of or in connection with the administration of the insurance subsidy escrow account.

(e) The adjustment fee may be altered based on money accumulated in the insurance subsidy escrow accounts.

With the exception of employers governed by the provisions of KRS Chapters 16, 18A, and 151B, all employers of any class of employees or former employees shall enter into a contract with the Personnel Cabinet prior to including that group in the state health insurance group. The contracts shall include but not be limited to designating the entity responsible for filing any federal forms, adoption of policies required for proper plan administration, acceptance of the contractual provisions with health insurance carriers or third-party administrators, and adoption of the payment and reimbursement methods necessary for efficient administration of the health insurance program. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994, and shall include a mail-order drug option as provided in subsection (14) of this section. All employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the Commonwealth or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment.

(b) The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws.

(c) Any carrier bidding to offer health care coverage to employees shall agree to provide coverage to all members of the state group, including active employees and retirees and their eligible covered dependents and beneficiaries, within the county or counties specified in its bid. Furthermore, any carrier bidding to offer health care coverage to employees shall also agree to rate all employees as a single entity, except for those retirees whose former employers insure their active employees outside the state-sponsored health insurance program.

(d) Any carrier bidding to offer health care coverage to employees shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance with data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual employee; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. ***The Personnel Cabinet shall establish negotiating procedures, quality standards, and cost goals to guide it in the active negotiation and purchase of health insurance for the state group.*** The Personnel Cabinet shall include in the October annual report submitted pursuant to the provisions of KRS 18A.226 to the Governor, the General Assembly, and the Chief Justice of the Supreme Court, an analysis of the financial stability of the program, which shall include but not be limited to loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, and statutorially required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.

(f) If any ***entity***[~~agency~~] participating in the state-sponsored employee health insurance program for its active employees terminates participation and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, then neither the agency nor the employees shall receive the state-funded contribution after termination from the state-sponsored employee health insurance program.

(g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state-sponsored health insurance plan's appropriation account. *No entity participating in the state-sponsored health insurance plan shall retain forfeitures from the flexible spending accounts under any circumstances. Notwithstanding any other provision of the Kentucky Revised Statutes, the budget bill and the budget memorandum shall not authorize an entity participating in the state-sponsored health insurance plan to retain all or part of forfeitures from flexible spending accounts nor transfer those funds other than as allowed under this paragraph. The state-sponsored health insurance plan shall use all flexible spending account forfeitures from both state and local government participants towards directly reducing premium costs for employees. Any and all savings realized pursuant to this section shall be applied directly toward reducing premium costs paid by employees who participate in the state-sponsored health insurance plan.*

(h) Each entity participating in the state-sponsored health insurance program shall provide an amount at least equal to the state contribution rate for the employer portion of the health insurance premium. For any participating entity that used the state payroll system, the employer contribution amount shall be equal to but not greater than the state contribution rate.

(i) Each municipal, consolidated local, urban-county, charter county, and county government, state institution of postsecondary education, and any other employer of state employees as defined in KRS 18A.225, whose retirees participate in the state group, but whose active employees are not participants in the state group, shall be responsible for the actuarial difference in cost of their retirees by being assessed retrospectively a per-participant actuarial difference charge for the difference in the average per-participant cost of retirees of all employers whose active members do not participate in the state group and the average per-participant cost of all employees participating in the state group, as determined by an independent actuary hired by the secretary of the Personnel Cabinet. The secretary may add to the per-participant actuarial difference charge a surcharge in the amount of the total cost for actuarial services divided by the total number of employees subject to the per-participant actuarial difference charge. Any and all savings realized pursuant to this section shall be applied directly toward reducing premium costs paid by employees for all who participate in the state-sponsored health insurance program.

(j) On and after the effective date of this Act, dependent health insurance premiums shall be subsidized by the Commonwealth at a rate of seventy-five percent (75%) of the premium charged for dependent health insurance. The Commonwealth shall continue to provide one hundred percent (100%) of the premium charged for individual coverage.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of employees. All employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for employees, except that the procuring of each is permissive.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by any department, board, agency, public postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government; or

(c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government for any other health care coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the Commonwealth not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium

or other expense incurred by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, and continuation of insurance or coverage after retirement.

(8) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(9) The health care contract or contracts for employees shall be entered into for a period of not less than one (1) year.

(10) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state-sponsored health insurance program for employees. The secretary shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven (7) Supreme Court districts, members representing state government from each of the seven (7) Supreme Court districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments, two (2) members representing the Kentucky Teachers' Retirement System, and three (3) members at large. The secretary shall also appoint two (2) members from a list of five (5) names submitted by the Kentucky Education Association, two (2) members from a list of five (5) names submitted by the largest state employee organization of nonschool state employees, two (2) members from a list of five (5) names submitted by the Kentucky Association of Counties, two (2) members from a list of five (5) names submitted by the Kentucky League of Cities, and two (2) members from a list of names consisting of five (5) names submitted by each state employee organization that has two thousand (2,000) or more members on state payroll deduction. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(11) Notwithstanding any other provision of law to the contrary, the policy or policies provided to employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of employees or their dependents.

(12) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

(13) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.

(14) (a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail-order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.

(b) A health insurer shall not discriminate against any retail pharmacy located within the geographic coverage area of the health benefit plan and that meets the terms and conditions for participation established by the insurer, including price, dispensing fee, and copay requirements of a mail-order option. The retail pharmacy shall not be required to dispense by mail.

(c) The mail-order option shall not permit the dispensing of a controlled substance classified in Schedule II.

(15) The policy or policies provided to state employees or their dependents pursuant to this section shall provide coverage for obtaining a hearing aid and acquiring hearing aid-related services for insured individuals under eighteen (18) years of age, subject to a cap of one thousand four hundred dollars ($1,400) every thirty-six (36) months.

(16) If a state employee's residence and place of employment are in the same county, and if the hospital located within that county does not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services and magnetic resonance imaging services, the employee may select a plan available in a contiguous county that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.

(17) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and in the best interests of the state group to allow any carrier bidding to offer health care coverage under this section to submit bids that may vary county by county or by larger geographic areas.

(18) The secretary of the Personnel Cabinet shall develop, maintain, and implement a program and procedures to join a multistate pooling initiative in which two (2) or more states work together to reduce the cost of pharmaceuticals purchased or paid for by employees in the state group.

(19) The Personnel Cabinet shall actively pursue the consolidation of state employees into one (1) fully insured preferred provider organization (PPO) plan and one (1) self-funded preferred provider organization (PPO) plan and shall include a report on the status of such pursuit in the October, 2003 annual report submitted pursuant to KRS 18A.226.

The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual employee; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. (g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state-sponsored health insurance plan's appropriation account. ***No entity participating in the state-sponsored health insurance plan shall retain forfeitures from the flexible spending accounts under any circumstances. Notwithstanding any other provision of the Kentucky Revised Statutes, the budget bill and the budget memorandum shall not authorize an entity participating in the state-sponsored health insurance plan to retain all or part of forfeitures from flexible spending accounts nor transfer those funds other than as allowed under this paragraph. The state-sponsored health insurance plan shall use all flexible spending account forfeitures from both state and local government participants towards directly reducing premium costs for employees. Any and all savings realized pursuant to this section shall be applied directly toward reducing premium costs paid by employees who participate in the state-sponsored health insurance plan.***

(h) Each entity participating in the state-sponsored health insurance program shall provide an amount at least equal to the state contribution rate for the employer portion of the health insurance premium. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for employees, except that the procuring of each is permissive.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by any department, board, agency, public postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government; or

(c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government for any other health care coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the Commonwealth not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, and continuation of insurance or coverage after retirement.

(8) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. (9) The health care contract or contracts for employees shall be entered into for a period of not less than one (1) year.

(10) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state-sponsored health insurance program for employees. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(11) Notwithstanding any other provision of law to the contrary, the policy or policies provided to employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of employees or their dependents.

(12) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

(13) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.

(14) (a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail-order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.

(b) A health insurer shall not discriminate against any retail pharmacy located within the geographic coverage area of the health benefit plan and that meets the terms and conditions for participation established by the insurer, including price, dispensing fee, and copay requirements of a mail-order option. The retail pharmacy shall not be required to dispense by mail.

(c) The mail-order option shall not permit the dispensing of a controlled substance classified in Schedule II.

(15) The policy or policies provided to state employees or their dependents pursuant to this section shall provide coverage for obtaining a hearing aid and acquiring hearing aid-related services for insured individuals under eighteen (18) years of age, subject to a cap of one thousand four hundred dollars ($1,400) every thirty-six (36) months.

the county where the plan selected is located.

(17) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and in the best interests of the state group to allow any carrier bidding to offer health care coverage under this section to submit bids that may vary county by county or by larger geographic areas.

(18) The secretary of the Personnel Cabinet shall develop, maintain, and implement a program and procedures to join a multistate pooling initiative in which two (2) or more states work together to reduce the cost of pharmaceuticals purchased or paid for by employees in the state group.

With the exception of employers governed by the provisions of KRS Chapters 16, 18A, and 151B, all employers of any class of employees or former employees shall enter into a contract with the Personnel Cabinet prior to including that group in the state health insurance group. The contracts shall include but not be limited to designating the entity responsible for filing any federal forms, adoption of policies required for proper plan administration, acceptance of the contractual provisions with health insurance carriers or third-party administrators, and adoption of the payment and reimbursement methods necessary for efficient administration of the health insurance program. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994, and shall include a mail-order drug option as provided in subsection (14) of this section. All employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the Commonwealth or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment.

(b) The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws.

(c) Any carrier bidding to offer health care coverage to employees shall agree to provide coverage to all members of the state group, including active employees and retirees and their eligible covered dependents and beneficiaries, within the county or counties specified in its bid. ***Except as provided in subsection (18) of this section***[~~Furthermore~~], any carrier bidding to offer health care coverage to employees shall also agree to rate all employees as a single entity, except for those retirees whose former employers insure their active employees outside the state-sponsored health insurance program.

(d) Any carrier bidding to offer health care coverage to employees shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance with data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual employee; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall include in the October annual report submitted pursuant to the provisions of KRS 18A.226 to the Governor, the General Assembly, and the Chief Justice of the Supreme Court, an analysis of the financial stability of the program, which shall include but not be limited to loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, and statutorially required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.

(f) If any agency participating in the state-sponsored employee health insurance program for its active employees terminates participation and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, then neither the agency nor the employees shall receive the state-funded contribution after termination from the state-sponsored employee health insurance program.

(g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state-sponsored health insurance plan's appropriation account.

(h) Each entity participating in the state-sponsored health insurance program shall provide an amount at least equal to the state contribution rate for the employer portion of the health insurance premium. For any participating entity that used the state payroll system, the employer contribution amount shall be equal to but not greater than the state contribution rate.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of employees. All employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the

commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for employees, except that the procuring of each is permissive.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by any department, board, agency, public postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government; or

(c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government for any other health care coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the Commonwealth not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, and continuation of insurance or coverage after retirement.

(8) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(9) The health care contract or contracts for employees shall be entered into for a period of not less than one (1) year.

(10) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state-sponsored health insurance program for employees. The secretary shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven (7) Supreme Court districts, members representing state government from each of the seven (7) Supreme Court districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments, two (2) members representing the Kentucky Teachers' Retirement System, and three (3) members at large. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(11) Notwithstanding any other provision of law to the contrary, the policy or policies provided to employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of employees or their dependents.

(12) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

(13) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.

(14) (a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail-order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.

(b) A health insurer shall not discriminate against any retail pharmacy located within the geographic coverage area of the health benefit plan and that meets the terms and conditions for participation established by the insurer, including price, dispensing fee, and copay requirements of a mail-order option. The retail pharmacy shall not be required to dispense by mail.

(c) The mail-order option shall not permit the dispensing of a controlled substance classified in Schedule II.

(15) The policy or policies provided to state employees or their dependents pursuant to this section shall provide coverage for obtaining a hearing aid and acquiring hearing aid-related services for insured individuals under eighteen (18) years of age, subject to a cap of one thousand four hundred dollars ($1,400) every thirty-six (36) months.

(16) If a state employee's residence and place of employment are in the same county, and if the hospital located within that county does not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services and magnetic resonance imaging services, the employee may select a plan available in a contiguous county that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.

(17) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and in the best interests of the state group to allow any carrier bidding to offer health care coverage under this section to submit bids that may vary county by county or by larger geographic areas.

(18) Notwithstanding any other provision of this section, the bid for proposals for health insurance coverage for calendar year 2004 shall include a bid scenario that reflects the statewide rating structure provided in calendar year 2003 and a bid scenario that allows for a regional rating structure as described in this subsection:

(a) The regional rating bid scenario shall not include a request for bid on a statewide option;

(b) The Personnel Cabinet shall divide the state into geographical regions which shall be the same as the partnership regions designated by the Department for Medicaid Services for purposes of the Kentucky Health Care Partnership Program established pursuant to 907 KAR 1:705;

(c) Carriers shall not be required to bid on every county within a region, but each carrier's bid shall cover at least seventy-five percent (75%) of the state employee population within the region;

(d) If the Personnel Cabinet accepts a carrier's bid, the Cabinet shall award the carrier all of the counties included in its bid within the region; and

(e) A scoring component in the evaluation and scoring process shall be whether a carrier bids on the entire region. A carrier who bids on the entire region shall receive a higher score for that component than a carrier who bids on part of the region.

(d) Any carrier bidding to offer health care coverage to employees shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance with data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual employee; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall include in the October annual report submitted pursuant to the provisions of KRS 18A.226 to the Governor, the General Assembly, and the Chief Justice of the Supreme Court, an analysis of the financial stability of the program, which shall include but not be limited to loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, and statutorially required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.

(f) If any agency participating in the state-sponsored employee health insurance program for its active employees terminates participation and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, then neither the agency nor the employees shall receive the state-funded contribution after termination from the state-sponsored employee health insurance program.

(g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state-sponsored health insurance plan's appropriation account.

(h) Each entity participating in the state-sponsored health insurance program shall provide an amount at least equal to the state contribution rate for the employer portion of the health insurance premium. For any participating entity that used the state payroll system, the employer contribution amount shall be equal to but not greater than the state contribution rate.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental

insurance or prepaid dental plan coverage encompassing all or any class or classes of employees. All employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for employees, except that the procuring of each is permissive.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by any department, board, agency, public postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government; or

(c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government for any other health care coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the Commonwealth not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, and continuation of insurance or coverage after retirement.

(8) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(9) The health care contract or contracts for employees shall be entered into for a period of not less than one (1) year.

(10) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state-sponsored health insurance program for employees. The secretary shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven (7) Supreme Court districts, members representing state government from each of the seven (7) Supreme Court districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments, two (2) members representing the Kentucky Teachers' Retirement System, and three (3) members at large. The secretary shall also appoint two (2) members from a list of five (5) names submitted by the Kentucky Education Association, two (2) members from a list of five (5) names submitted by the largest state employee organization of nonschool state employees, two (2) members from a list of five (5) names submitted by the Kentucky Association of Counties, two (2) members from a list of five (5) names submitted by the Kentucky League of Cities, and two (2) members from a list of names consisting of five (5) names submitted by each state employee organization that has two thousand (2,000) or more members on state payroll deduction. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(11) Notwithstanding any other provision of law to the contrary, the policy or policies provided to employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of employees or their dependents.

(12) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

(13) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.

(14) (a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail-order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in

accordance with Kentucky law.

(b) A health insurer shall not discriminate against any retail pharmacy located within the geographic coverage area of the health benefit plan and that meets the terms and conditions for participation established by the insurer, including price, dispensing fee, and copay requirements of a mail-order option. The retail pharmacy shall not be required to dispense by mail.

(c) The mail-order option shall not permit the dispensing of a controlled substance classified in Schedule II.

(15) The policy or policies provided to state employees or their dependents pursuant to this section shall provide coverage for obtaining a hearing aid and acquiring hearing aid-related services for insured individuals under eighteen (18) years of age, subject to a cap of one thousand four hundred dollars ($1,400) every thirty-six (36) months.

(16) If a state employee's residence and place of employment are in the same county, and if the hospital located within that county does not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services and magnetic resonance imaging services, the employee may select a plan available in a contiguous county that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.

(17) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and in the best interests of the state group to allow any carrier bidding to offer health care coverage under this section to submit bids that may vary county by county or by larger geographic areas.

(18) Notwithstanding any other provision of this section, the bid for proposals for health insurance coverage for calendar year 2004 shall include a bid scenario that reflects the statewide rating structure provided in calendar year 2003 and a bid scenario that allows for a regional rating structure that allows carriers to submit bids that may vary by region for a given product offering as described in this subsection:

(a) The regional rating bid scenario shall not include a request for bid on a statewide option;

(b) The Personnel Cabinet shall divide the state into geographical regions which shall be the same as the partnership regions designated by the Department for Medicaid Services for purposes of the Kentucky Health Care Partnership Program established pursuant to 907 KAR 1:705;

(c) The request for proposal shall require a carrier's bid to include every county within the region or regions for which the bid is submitted and include, but not be restricted to, a preferred provider organization (PPO) option;

(d) If the Personnel Cabinet accepts a carrier's bid, the cabinet shall award the carrier all of the counties included in its bid within the region. If the Personnel Cabinet deems the bids submitted in accordance with this subsection to be in the best interests of state employees in a region, the cabinet may award the contract for that region to no more than two (2) carriers; and

(e) Nothing in this subsection shall prohibit the Personnel Cabinet from including other requirements or criteria in the request for proposal.

Section 2. Whereas regional rating may increase the number of carriers in a county at a time when the number of counties with only one (1) carrier bidding is increasing each contract year, and the Personnel Cabinet is currently in the process of preparing its request for proposals for the 2004 calendar year, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 61.702 is amended to read as follows:

(1) (a) The board of trustees of Kentucky Retirement Systems shall arrange by appropriate contract or on a self-insured basis to provide a group hospital and medical insurance plan for present and future recipients of a retirement allowance from the Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System***, except as provided in subsection (8) of this section***. The board shall also arrange to provide health care coverage by health maintenance organizations, as defined in KRS 18A.225, as an alternative to group hospital and medical insurance for any person eligible for hospital and medical benefits under this section. Any person who chooses coverage by a health maintenance organization shall pay, by payroll deduction from the retirement allowance or by another method, the difference in premium between the cost of health maintenance organization coverage and the benefits to which he would be entitled under this section.

(b) The board may authorize present and future recipients of a retirement allowance from any of the three (3) retirement systems to be included in the state employees' group for hospital and medical insurance and shall provide benefits for recipients equal to those provided to state employees having the same Medicare hospital and medical insurance eligibility status***, except as provided in subsection (8) of this section***. Notwithstanding the provisions of any other statute, recipients shall be included in the same class as current state employees in determining medical insurance policies and premiums.

(c)[~~(b)~~]For recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky having the same Medicare hospital and medical insurance eligibility status, the board shall provide a medical insurance reimbursement plan as described in subsection (7) of this section.

(2) Each employer participating in the State Police Retirement System as provided for in KRS 16.510 to 16.652, each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852, and each employer participating in the Kentucky Employees Retirement System as provided for in KRS 61.510 to 61.705 shall contribute to the Kentucky Retirement Systems insurance fund the amount necessary to provide hospital and medical insurance as provided for under this section. Such employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of each respective employer contribution rate to each respective retirement system determined under KRS 61.565.

(3) (a) The premium required to provide hospital and medical benefits under this section shall be paid:

1. Wholly or partly from funds contributed by the recipient of a retirement allowance, by payroll deduction, or otherwise;

2. Wholly or partly from funds contributed by the Kentucky Retirement Systems insurance fund;

3. Wholly or partly from funds contributed by another state-administered retirement system under a reciprocal arrangement, except that any portion of the premium paid from the Kentucky Retirement Systems insurance fund under a reciprocal agreement shall not exceed the amount that would be payable under this section if all the member's service were in one (1) of the systems administered by the Kentucky Retirement Systems;

4. Partly from subparagraphs 1., 2., or 3., except that any premium for hospital and medical insurance over the amount contributed by the Kentucky Retirement Systems insurance fund or another state-administered retirement system under a reciprocal agreement shall be paid by the recipient. If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the Kentucky Retirement Systems insurance fund shall pay the balance, not to exceed the monthly contribution.

5. In full from the Kentucky Retirement Systems insurance fund for all recipients of a retirement allowance from any of the three (3) retirement systems where such recipient is a retired former member of one (1) or more of the three (3) retirement systems (not a beneficiary or dependent child receiving benefits) and had two hundred and forty (240) months or more of service upon retirement. Should such recipient have less than two hundred forty (240) months of service but have at least one hundred eighty (180) months of service, seventy-five percent (75%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining twenty-five percent (25%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred eighty (180) months of service but have at least one hundred twenty (120) months of service, fifty percent (50%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining fifty percent (50%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred twenty (120) months of service but have at least forty-eight (48) months of service, twenty-five percent (25%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his retirement allowance or by another method. Notwithstanding the foregoing provisions of this subsection, an employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems who becomes disabled in the line of duty as defined in KRS 16.505(19) or KRS 61.621, shall have his premium paid in full as if he had two hundred forty (240) months or more of service. Further, an employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems who is killed in the line of duty as defined in KRS 16.505(19) or KRS 61.621, shall have the premium for the beneficiary, if the beneficiary is the member's spouse, and for each dependent child paid so long as they individually remain eligible for a monthly retirement benefit. "Months of service" as used in this section shall mean the total months of combined service used to determine benefits under any or all of the three (3) retirement systems, except service added to determine disability benefits shall not be counted as "months of service."

(b) For a member electing insurance coverage through the Kentucky Retirement Systems, "months of service" shall include, in addition to service as described in paragraph (a) of this subsection, service credit in one of the other state-administered retirement plans.

1. Effective August 1, 1998, the Kentucky Retirement Systems shall compute the member's combined service, including service credit in another state-administered retirement plan, and calculate the portion of the member's premium to be paid by the insurance fund, according to the criteria established in paragraph (a) of this subsection. Each state-administered retirement plan annually shall pay to the insurance fund the percentage of the system's cost of the retiree's monthly contribution for single coverage for hospital and medical insurance which shall be equal to the percentage of the member's number of months of service in the other state-administered retirement plan divided by his total combined service. The amounts paid by the other state-administered retirement plans and the insurance fund shall not be more than one hundred percent (100%) of the monthly contribution adopted by the respective boards of trustees.

2. A member may not elect coverage for hospital and medical benefits under this subsection through more than one (1) of the state-administered retirement plans.

3. A state-administered retirement plan shall not pay any portion of a member's monthly contribution for medical insurance unless the member is a recipient or annuitant of the plan.

(4) (a) Group rates under the hospital and medical insurance plan shall be made available to the spouse, dependents, and disabled children, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the spouse, dependent, disabled child, or beneficiary hospital and medical insurance is paid by payroll deduction from the retirement allowance or by another method. A child shall be considered disabled if he

has been determined to be eligible for federal Social Security disability benefits.

(b) The other provisions of this section notwithstanding, the insurance fund shall pay a percentage of the monthly contribution for the spouse and dependents of a recipient who was a member of the General Assembly and is receiving a retirement allowance based on General Assembly service, of the Kentucky Employees Retirement System and determined to be in a hazardous position, of the County Employees Retirement System, and determined to be in a hazardous position or of the State Police Retirement System, or the beneficiary of the member, if the member designated only one (1) person as beneficiary. The percentage of the monthly contribution paid for the spouse and dependents of a recipient who was in a hazardous position shall be based solely on the member's service with the State Police Retirement System or service in a hazardous position using the formula in subsection (3)(a) of this section, except that for any recipient of a retirement allowance from the County Employees Retirement System who was contributing to the system on January 1, 1998, for service in a hazardous position, the percentage of the monthly contribution shall be based on the total of hazardous service and any nonhazardous service as a police or firefighter with the same agency, if that agency was participating in the County Employees Retirement System but did not offer hazardous duty coverage for its police and firefighters at the time of initial participation.

(c) The insurance fund shall continue the same level of coverage for a recipient who was a member of the County Employees Retirement System after the age of sixty-five (65) as before the age of sixty-five (65), if the recipient is not eligible for Medicare coverage. If the insurance fund provides coverage for the spouse or dependents or beneficiary of a former member of the County Employees Retirement System, the insurance fund shall continue the same level of coverage for the spouse or dependent or beneficiary after the age of sixty-five (65) as before the age of sixty-five (65), if the spouse or dependent or beneficiary is not eligible for Medicare coverage.

HB 249, AN ACT relating to insurance premium surcharges.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 91A.080 is amended to read as follows:

(1) The legislative body of each city, county, or urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective July 1 of each year on a prospective basis only and shall file with the commissioner of insurance at least one hundred (100) days prior to the effective date, a copy of all ordinances and amendments which impose any such license fee or tax. No less than eighty-five (85) days prior to the effective date, the commissioner of insurance shall promptly notify each insurance company engaged in the business of insurance in the Commonwealth of those city, county, or urban-county governments which have elected to impose the license fees or taxes and the current amount of the license fee or rate of tax.

(2) Any license fee or tax imposed by a city, county, or urban-county government upon an insurance company with respect to life insurance policies, may be based upon the first year's premiums, and, if so based, shall be applied to the amount of the premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of the city, county, or urban-county government.

(3) Any license fee or tax imposed by a city, county, or urban-county government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by the company within each calendar quarter on risks located within the corporate limits of the city, county, or urban-county government on those classes of business which the company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the city, county, or urban-county government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the city, county, or urban-county government. Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or the death of their employees, caused thereby, under the provisions of the Workers' Compensation Act.

(4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the city, county or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection, and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.

(5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.

(6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by administrative regulations promulgated by the Department of Insurance.

(7) *(a)* Upon written request of the legislative body of any city, county, or urban-county government, at the expense of the requesting city, county, or urban-county government, which shall be paid in advance by the city, county, or urban-county government to the Department of Insurance, the Department of Insurance shall examine, or cause to be examined by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of the examination shall be reported to the city, county, or urban-county government.

(b) Willful failure to properly collect and remit the fee or tax imposed by a city, county, or urban-county government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(c) A willful violation of any provision of this section shall result in the responsible insurance company being assessed a penalty equal to ten percent (10%) of the license fee or tax owed to the city, county, or urban-county government.

(8) The license fees or taxes provided for by subsections (2) and (3) of this section shall be due thirty (30) days after the end of each calendar quarter. (a) Casualty;

(b) Automobile;

(c) Inland marine;

(d) Fire and allied perils;

(e) Health; and

(f) Life.

(9) (a) Annually, by March 31, each insurer shall furnish the Department of Insurance with a report identifying all policies issued by the insurer and the premium charged therefor. The report shall also provide a breakdown of all collections in the preceding calendar year for the following categories of insurance:

1. Casualty;

2. Automobile;

3. Inland marine;

4. Fire and allied perils;

5. Health; and

6. Life.

(b) The report shall categorize the license fee or tax remitted according to city, county, or urban-county government.

(c) Any city, county, or urban-county government may have access to the information in this subsection upon the written request of the legislative body of the requesting city, county, or urban-county government. Information provided under this paragraph shall be furnished at the expense of the requesting entity.

(10) (a) All agents, as defined in KRS 304.9-020, shall notify the Department of Insurance of any premiums that would qualify for a license fee or tax imposed by this section.

(b) Any agent who fails to notify the Department of Insurance of premiums that would qualify for a license fee or tax may be subject to disciplinary action pursuant to KRS 304.9-440, if the agent has been placed on notice of the license fee or tax by the appropriate city, county, or urban-county government.

(11)[~~(9)~~] Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. Such interest payable to the city, county, or urban-county government is separate of penalties provided for in subsection (7) of this section. No city, county, or urban-county government may impose any penalties other than those provided for in this subsection.

(12)[~~(10)~~] No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225.

(b) If a county imposed and collected the license fee or tax authorized by this section before July 1, 2000, then insurance companies that pay license fees or taxes under this section shall not credit against the county license fee or tax that portion of a city license fee or tax that becomes effective for the first time on or after July 1, 2000, or is increased effective on or after July 1, 2000. The provisions of this paragraph shall expire on June 30, 2002, unless extended by the General Assembly.

(15)[~~(13)~~] No license fee or tax imposed under this section shall apply to premiums received on health insurance policies issued to individuals nor to policies issued through Kentucky Access created in KRS 304.17B-005.

(16) Unless expressly authorized by statute, all information, documents, and copies thereof obtained by or disclosed to the commissioner of the Department of Insurance under this section shall be given confidential treatment and shall not be subject to subpoena or be made public by the commissioner without the prior written consent of the insurer to which it pertains. Information collected and maintained by the Department of Insurance under this section shall not be open to public inspection under KRS 61.870 to 61.884.

HB 463, AN ACT relating to collection of local government insurance premium taxes.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 91A.080 is amended to read as follows:

(1) The legislative body of each city, county, or urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective July 1 of each year on a prospective basis only and shall file with the commissioner of insurance at least one hundred (100) days prior to the effective date, a copy of all ordinances and amendments which impose any such license fee or tax. No less than eighty-five (85) days prior to the effective date, the commissioner of insurance shall promptly notify each insurance company engaged in the business of insurance in the Commonwealth of those city, county, or urban-county governments which have elected to impose the license fees or taxes and the current amount of the license fee or rate of tax.

(2) Any license fee or tax imposed by a city, county, or urban-county government upon an insurance company with respect to life insurance policies, may be based upon the first year's premiums, and, if so based, shall be applied to the amount of the premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of the city, county, or urban-county government.

(3) Any license fee or tax imposed by a city, county, or urban-county government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by the company within each calendar quarter on risks located within the corporate limits of the city, county, or urban-county government on those classes of business which the company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the city, county, or urban-county government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the city, county, or urban-county government. Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or the death of their employees, caused thereby, under the provisions of the Workers' Compensation Act.

(4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance ***company's appointed agent of record for the taxed policy***[~~company or its agent~~] as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the city, county or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection, and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.

(5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.

(6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein

provided shall be determined by administrative regulations promulgated by the Department of Insurance.

(7) Upon written request of the legislative body of any city, county, or urban-county government, at the expense of the requesting city, county, or urban-county government, which shall be paid in advance by the city, county, or urban-county government to the Department of Insurance, the Department of Insurance shall examine, or cause to be examined by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of the examination shall be reported to the city, county, or urban-county government. Willful failure to properly collect and remit the fee or tax imposed by a city, county, or urban-county government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(8) The license fees or taxes provided for by subsections (2) and (3) of this section shall be due thirty (30) days after the end of each calendar quarter. Annually, by March 31, each insurer shall furnish each city, county, or urban-county government to which the tax or fee is remitted with a breakdown of all collections in the preceding calendar year for the following categories of insurance:

(a) Casualty;

(b) Automobile;

(c) Inland marine;

(d) Fire and allied perils;

(e) Health; and

(f) Life.

(9) Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. Such interest payable to the city, county, or urban-county government is separate of penalties provided for in subsection (7) of this section. No city, county, or urban-county government may impose any penalties other than those provided for in this subsection.

(10) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225.

(11) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies which pay ad valorem taxes.

(12) (a) Insurance companies which pay license fees or taxes pursuant to this section shall credit city license fees or taxes against the same license fees or taxes levied by the county, when the license fees or taxes are levied by the county on or after July 13, 1990.

(b) If a county imposed and collected the license fee or tax authorized by this section before July 1, 2000, then insurance companies that pay license fees or taxes under this section shall not credit against the county license fee or tax that portion of a city license fee or tax that becomes effective for the first time on or after July 1, 2000, or is increased effective on or after July 1, 2000. The provisions of this paragraph shall expire on June 30, 2002, unless extended by the General Assembly.

(13) No license fee or tax imposed under this section shall apply to premiums received on health insurance policies issued to individuals nor to policies issued through Kentucky Access created in KRS 304.17B-005.

HB 494, AN ACT relating to disability retirement under the Kentucky Teachers' Retirement System.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 161.661 is amended to read as follows:

(1) Any member who has completed five (5) or more years of accredited service in the public schools of Kentucky after July 1, 1941, may retire for disability and be granted a disability allowance if found to be eligible as provided in this section. Application for disability benefits shall be made within one (1) year of the last contributing service in Kentucky, and the disability must have occurred during the most recent period of employment in a position covered by the Teachers' Retirement System and subsequent to the completion of five (5) years of teaching service in Kentucky. A disability occurring during the regular vacation immediately following the last period of active service in Kentucky or during an official leave for which the member is entitled to make regular contributions to the retirement system, shall be considered as having occurred during a period of active service. The annual disability allowance shall be equal to sixty percent (60%) of the member's final average salary. Members with twenty-seven (27) or more years of service credit are eligible for service retirement only.

(2) The provisions of KRS 161.520, 161.525, and subsections (3), (4), and (5) of this section shall not apply to disability retirees whose benefits were calculated on the service retirement formula nor to survivors of these members.

(3) Members shall earn one (1) year of entitlement to disability retirement, at sixty percent (60%) of the member's final average salary, for each four (4) years of service in a covered position, but any member meeting the service requirement for disability retirement shall be credited with no less than five (5) years of eligibility.

(4) A member retired by reason of disability shall continue to earn service credit at the rate of one (1) year for each year retired for disability. This service shall be credited to the member's account at the expiration of entitlement as defined in subsection (3) of this section, or when the member's eligibility for disability benefits is terminated upon recommendation of a medical review committee, and this service shall be used in calculating benefits as provided in subsection (5) of this section, but under no circumstances shall this service be used to provide the member with more than twenty-seven (27) years of total service credit. The service credit shall be valued at the same level as service earned by active members as provided under KRS 161.600 and 161.620.

(5) Any member retired by reason of disability and remaining disabled at the expiration of the entitlement period shall have his disability benefits recalculated using the service retirement formula with service credit as set out in subsection (4) of this section. The retirement allowance shall be calculated as set forth in KRS 161.620, except that those persons less than sixty (60) years of age shall be considered as sixty (60) years of age. Members having their disability benefits recalculated under this subsection shall not be entitled to a benefit based upon an average of their three (3) highest salaries as set forth in KRS 161.220(9), unless approved otherwise by the board of trustees.

(6) Members who have their disability retirement allowance recalculated at the expiration of the entitlement period shall continue to have coverage under the post-retirement medical insurance program. Restrictions on employment shall remain in effect until the member attains age seventy (70) or until the member's eligibility is discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability retirees whose retirement allowances have been recalculated at the expiration of the entitlement period. Members who have their disability retirement allowance recalculated at the expiration of their entitlement period shall be entitled to a minimum monthly allowance of five hundred dollars ($500) as the basic straight life annuity. The minimum allowance shall be effective July 1, 1992, and shall apply to those members who have had their allowance recalculated prior to that date and to disability retirees who will have their benefit allowance recalculated on or after that date.

(7) Effective July 1, 1992, members retired for disability prior to July 1, 1964, shall be entitled to a minimum monthly allowance of five hundred dollars ($500) as their basic straight life annuity and their surviving spouse shall be eligible for survivor benefits as provided in KRS 161.520(1)(a) and (b).

(8) Any member retired by reason of disability may voluntarily waive disability benefits and return to teaching or any member, who is age sixty (60) years or older, may elect to waive disability benefits and retire for service on the basis of service credited to the member on the effective date of the disability retirement.

(9) In order to qualify for retirement by reason of disability a member must suffer from a physical or mental condition

presumed to be permanent in duration and of a nature as to render the member incapable of being gainfully employed in a covered position. The incapability must be revealed by a competent examination by a licensed physician or physicians and must be approved by a majority of a medical review committee.

(10) A member retired by reason of disability shall be required to undergo ***annual***[~~periodic~~] examinations at the discretion of the board of trustees to determine whether the disability allowance shall be continued***, except that, on the recommendation of a medical review committee, examinations may be less frequent but not less than once every five (5) years***. When examination and recommendation of a medical review committee indicate the disability no longer exists, the allowance shall be discontinued.

(11) Eligibility for payment shall begin on the first day of the month following receipt of the application in the Teachers' Retirement System office, or the first of the month next following the last payment of salary or sick leave benefits by the employer, whichever is the later date.

(12) No person who receives a disability allowance may be employed in a position that entails duties or qualification requirements similar to positions subject to participation in the retirement system either within or without the State of Kentucky. So doing shall constitute a misdemeanor and shall result in loss of the allowance from the first date of this service. A member who applies for and is approved for disability retirement on or after July 1, 2002, and whose annual disability benefit is less than forty thousand dollars ($40,000) may earn income in any occupation other than covered employment only to the extent that the annual income from the other employment when added to the annual disability benefit does not exceed forty thousand dollars ($40,000). For any member who exceeds this limit as a result of income from other employment, the Kentucky Teachers' Retirement System shall reduce the member's disability benefit on a dollar-for-dollar basis for each dollar that the member's combined annual disability benefit and annual income from other employment exceeds forty thousand dollars ($40,000). The board of trustees may annually increase the forty thousand dollar ($40,000) limit by the percentage increase in the annual average of the consumer price index for all urban consumers for the most recent calendar year as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%). All members who applied for disability retirement before July 1, 2002, and were approved as a result of that application shall be subject to the income limitations as they existed on June 30, 2002. The recipient of a disability allowance who engages in any gainful occupation other than covered employment must make a report of the duties involved, compensation received, and any other pertinent information required by the board of trustees.

(13) The board of trustees shall designate medical review committees, each consisting of three (3) licensed physicians. A medical review committee shall pass upon all applications for disability retirement and upon all applicant statements, medical certifications, and examinations submitted in connection with disability applications. The disposition of each case shall be recommended by a medical review committee in writing to the retirement system. Members of a medical review committee shall follow administrative regulations regarding procedures as the board of trustees may enact and shall be paid reasonable fees and expenses as authorized by the board of trustees in compliance with the provisions of KRS 161.330 and 161.340. The retirement system may secure additional medical examinations and information as it deems necessary. A member may appeal any final agency decision denying his or her disability retirement application pursuant to the provisions of KRS 161.250(2).

(14) A disability may be presumed to be permanent if the condition creating the disability may be reasonably expected to continue for one (1) year or more from the date of application for disability benefits.

(15) Any member who has voluntarily waived disability benefits or whose disability benefits have been discontinued on recommendation of a medical review committee, may apply for reinstatement of disability benefits. The application for reinstatement must be made to the retirement system within twelve (12) months of the date disability benefits terminated. If the termination of benefits were voluntary, the reinstatement may be made without medical examination if application is made within three (3) months of the termination date. Other applications for reinstatement will be processed in the same manner as new applications for benefits.

(16) No person who is receiving disability benefits under this section may be employed in a position which qualifies the person for membership in a retirement system financed wholly or in part with public funds. Employment in a position prohibited by this subsection shall result in disqualification for those disability benefits from the date of employment in the prohibited position.

(17) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section, or becomes disqualified from receiving a portion of those benefits due to income from other than covered employment, shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits. The Kentucky Teachers' Retirement System may, in order to collect an outstanding debt, reduce or terminate any benefit that a member is otherwise entitled to receive.

WHEREAS, since 1993 when it first entered into a lease agreement to operate the Paducah Gaseous Diffusion Plant and continuing after 1998, when it became a private corporation, the U. S. Enrichment Corporation (USEC) has maintained and improved the vital national service of uranium enrichment conducted at the Paducah facility; and

WHEREAS, USEC has undertaken this task in partnership with the officials of the city of Paducah and McCracken county, and the many highly skilled and specialized employees working at and supporting the plant; and

WHEREAS, the Megatons to Megawatts program of shifting uranium enrichment from nuclear weapons production to nuclear energy generation has placed USEC on a path of improving efficiency through technological advances; and

WHEREAS, USEC will be testing an updated technology of gas centrifuge uranium enrichment in the next few years and continues to invest in a third-generation laser-based enrichment process; and

WHEREAS, Kentucky, as a key energy resource state, has local, state, and federal leaders who are committed to continuing the partnership with USEC as it continues the advancement of uranium enrichment for energy production; and

WHEREAS, even though USEC has announced that it will site the pilot plant for its next generation enrichment facility in Ohio, Kentucky remains firmly committed to attracting the full scale production enrichment facility;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Commonwealth of Kentucky commits to continuing its long-standing partnership with and supports the U. S. Enrichment Corporation in its efforts to effectively produce nuclear energy resources. To that end, the Commonwealth offers the resources of the state to aid in USEC's development and deployment of the next generation of uranium enrichment technologies. The offered resources may include, for example only, maintenance of the skilled, specialized workforce in Paducah and surrounding counties, the research capabilities of the state's top universities, assistance with debt financing, access to programs administered by the Economic Development Cabinet, and other resources appropriate to the specific technological projects undertaken by USEC.

WHEREAS, states that take legislative action that addresses CBM recovery issues benefit economically; and

WHEREAS, competing coal states have enacted legislation to reduce the barriers to developing and implementing coalbed methane projects and

WHEREAS, in regional competing states CBM legislation preceded substantial increases in new CBM development; and

(6) The nonparticipating manufacturer shall update all lists thirty (30) calendar days prior to any addition to or modification of its brand families by executing and delivering a supplemental certification to the secretary and the Attorney General.

The cabinet shall transmit, by electronic mail or other practicable means, notice to each stamping agent and distributor of any addition to or removal from the directory of any tobacco product manufacturer or brand family.

(2) The nonparticipating manufacturer shall provide notice to the Attorney General thirty (30) calendar days prior to termination of the authority of an agent and shall further provide proof of the appointment of a new agent no less than

The secretary may impose a civil penalty in an amount not to exceed the greater of five hundred percent (500%) of the retail value of the cigarettes sold or five thousand dollars ($5,000) upon a determination of a violation of Section 6 of this Act or any administrative regulations promulgated thereunder. The penalty shall be imposed in the manner provided by KRS 138.195 and 138.205.

Section 16. For the year 2003, the certifications by a tobacco product manufacturer described in Section 4 of this Act shall be due forty-five (45) calendar days after the effective date; and the directory described in Section 5 of this Act shall be published or made available within ninety (90) calendar days after such effective date.

Section 17. There is appropriated to the Revenue Cabinet, before making distributions from the tobacco settlement agreement fund pursuant to KRS 248.654, for each year of the 2002-2004 biennium, and notwithstanding the temporary emergency expenditures of state funds in Executive Order 2002-727, one hundred seventy-five thousand ($175,000) dollars to carry out the provisions of KRS 131.600, 131.602, and Sections 2 to 15 of this Act.

Section 18. The Committee Substitute to **HB 390** is as follows:

HB 390, AN ACT relating to the enforcement of the Tobacco Master Settlement Agreement, making an appropriation therefor and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

The legislature finds that enacting procedural enhancements will aid enforcement of KRS 131.600 and 131.602 and thereby safeguard the master settlement agreement, the fiscal soundness of the state, and the public health.

SECTION 3. A NEW SECTION OF KRS CHAPTER 131 IS CREATED TO READ AS FOLLOWS:

(1) Prior to selling cigarettes in Kentucky, directly or through a distributor, retailer, or similar intermediary or intermediaries, every tobacco product manufacturer shall certify as true under penalty of perjury that, as of the date of certification, the tobacco product manufacturer is a participating manufacturer or nonparticipating manufacturer in full compliance with the provisions of KRS 131.602 and Section 9 of this Act. - *(b) In the case of a nonparticipating manufacturer, the nonparticipating manufacturer affirms that the brand family is to be deemed to be its cigarettes pursuant to KRS 131.602.*

(6) The nonparticipating manufacturer shall update all lists thirty (30) calendar days prior to any addition to or modification of its brand families by executing and delivering a supplemental certification to the Attorney General.

(7) Nothing in this section shall be construed as limiting or otherwise affecting the state's right to maintain that a brand family constitutes cigarettes of a different tobacco product manufacturer for purposes of calculating payments under the master settlement agreement or for purposes of KRS 131.602.

(8) The tobacco product manufacturers shall maintain all invoices and documentation of sales and other information relied upon for a certification for a period of five (5) years.

The listing shall be referred to as the "directory" and completed no later than July 1 of each certification year.

(2) The cabinet shall not include or retain in the directory the name or brand families of any nonparticipating manufacturer that has failed to provide the required certification or whose certification the Attorney General determines is not in compliance with Section 3 of this Act, unless the Attorney General has determined that such violation has been satisfactorily cured.

(3) Neither a tobacco product manufacturer nor a brand family shall be included or retained in the directory if the Attorney General determines in the case of a nonparticipating manufacturer that:

- *(a) Any escrow payment required pursuant to KRS 131.602 for any period for any brand family, whether or not listed by the nonparticipating manufacturer, has not been fully paid into a qualified escrow fund governed by a qualified escrow agreement that has been approved by the Attorney General; or*
- *(b) Any outstanding final judgments, including interest thereon, for a violation of KRS 131.602 has not been fully satisfied for the brand family or the manufacturer.*

(4) Upon receipt of information from the Attorney General, the cabinet shall update the directory as necessary in order to correct mistakes and to add or remove a tobacco product manufacturer or brand family to keep the directory in conformity with the requirements of this section and Sections 3 and 9 of this Act. The cabinet shall transmit, by electronic mail or other practicable means, notice to each stamping agent and distributor of any addition to or removal from the directory of any tobacco product manufacturer or brand family.

(5) Every stamping agent and distributor shall provide and update as necessary an electronic mail address to the cabinet for the purpose of receiving any notifications that may be required by this section and Sections 3, 7, 9, and 11 of this Act.

(6) Notwithstanding the provisions of subsections (2) and (3) of this section, in the case of any nonparticipating manufacturer who has established a qualified escrow account pursuant to KRS 131.602 that has been approved by the Attorney General, the Attorney General may not remove the manufacturer or its brand families from the directory unless the manufacturer has been given at least thirty (30) days' notice of the intended action. For the purposes of this section, notice shall be deemed sufficient if it is sent either electronically to an electronic-mail address or by first class to a postal mailing address, provided by the manufacturer in its most recent certification filed pursuant to Section 3. The notified nonparticipating manufacturer shall have thirty (30) days from receipt of the notice to comply. At the time that the Attorney General sends notice of its intent to remove the manufacturer from the directory the Attorney General shall post the notice in the directory.

(2) The nonparticipating manufacturer shall provide notice to the Attorney General thirty (30) calendar days prior to termination of the authority of an agent and shall further provide proof of the appointment of a new agent no less than five (5) calendar days prior to the termination of an existing agent appointment. If an agent terminates an agency appointment, the nonparticipating manufacturer shall notify the secretary and the Attorney General of the termination within five (5) calendar days and shall include proof of the appointment of a new agent.

(3) Any nonparticipating manufacturer whose products are sold in this state without appointing or designating an agent as required by this section shall be deemed to have appointed the Secretary of State as its agent and may be proceeded against in courts of this state by service of process upon the Secretary of State. The appointment of the Secretary of State as its agent shall not satisfy the condition precedent to having its brand families listed or retained in the directory.

(4) The Attorney General may by administrative regulation establish criteria for validating the appointment of an agent for the purposes of this section.

SECTION 7. A NEW SECTION OF KRS CHAPTER 131 IS CREATED TO READ AS FOLLOWS:

The stamping agent or distributor shall maintain, and make available to the secretary, all invoices and documentation of sales of all nonparticipating manufacturer cigarettes and any other information relied upon in reporting to the secretary for a period of five (5) years.

SECTION 8. A NEW SECTION OF KRS CHAPTER 131 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding KRS 131.190, the secretary is authorized to disclose to the Attorney General any information received under Sections 1 to 14 of this Act requested by the Attorney General for purposes of determining compliance with and enforcing the provisions of Sections 1 to 14 of this Act. The Attorney General may share the information with other federal, state, or local agencies only for the purposes of enforcement of KRS 131.602 and Sections 1 to 14 of this Act or corresponding laws of other states. The Attorney General is further authorized to disclose to a tobacco product manufacturer any information that has been provided by a stamping agent under Sections 1 to 14 of this Act regarding the purchases from that manufacturer. All information provided by a stamping agent to the Attorney General shall be subject to public disclosure pursuant to the Kentucky Open Records Act, KRS 61.872 to 61.884, and may be used in any enforcement action against the manufacturer by the Attorney General.

(2) In addition to the information required to be submitted pursuant to Sections 3, 6, 9, and 11 of this Act, the Attorney General or the secretary may require a stamping agent, distributor, or tobacco product manufacturer to submit any additional information including but not limited to samples of the packaging or labeling of each brand family as is necessary to enable the Attorney General to determine whether a tobacco product manufacturer is in compliance with Sections 1 to 14 of this Act.

SECTION 9. A NEW SECTION OF KRS CHAPTER 131 IS CREATED TO READ AS FOLLOWS:

The Attorney General may, at any time, require from the nonparticipating manufacturer proof from the financial institution in which the manufacturer has established a qualified escrow fund, for the purpose of compliance with KRS 131.600 and 131.602, of the amount of money in the fund, exclusive of interest, the amount and date of each deposit to the fund, and the amount and date of each withdrawal from the fund.

SECTION 10. A NEW SECTION OF KRS CHAPTER 131 IS CREATED TO READ AS FOLLOWS:

(1) Any cigarettes that have been affixed with a stamp in this state in violation of Section 5 of this Act shall be deemed contraband and subject to seizure and forfeiture pursuant to KRS 138.165. Cigarettes seized in accordance with this section shall be destroyed and not resold.

(2) The Attorney General may seek an injunction to restrain a violation of Section 5 or 7 of this Act by a distributor or stamping agent and to compel the distributor or stamping agent to comply with Sections 5 and 7 of this Act. In any action brought pursuant to this section, the state shall be entitled to recover the costs of investigation, costs of the action, and reasonable attorney fees from any distributor or stamping agent found to be in violation of Section 5 or 7 of this Act.

(3) No stamping agent or distributor shall sell or distribute cigarettes, or acquire, hold, own, possess, transport, import, or cause to be imported cigarettes that the stamping agent knows are intended for distribution or sale in the state in violation of Section 5 of this Act. A violation of this section is a class A misdemeanor.

(4) Nothing in this section shall prohibit a stamping agent or distributor from possessing unstamped containers of cigarettes held in inventory for delivery to, or for sale in, another state.

(5) In addition to or in lieu of any other civil or criminal remedy provided by law, upon a determination that a stamping agent or distributor has violated Section 5 of this Act or any regulation adopted pursuant to Sections 1 to 14 of this Act, the secretary may suspend the sale of cigarette stamps to the stamping agent or distributor for failure to comply with the provisions of Sections 1 to 14 of this Act.

(2) No person shall be issued a license or granted a renewal of a license to act as a distributor or stamping agent unless the person is in compliance with the provisions of Sections 1 to 14 of this Act.

(3) The Attorney General or the cabinet may promulgate administrative regulations necessary to effect the purposes of Sections 1 to 14 of this Act.

(2) If a court determines that a person has violated Sections 1 to 14 of this Act, the court shall order any profits, gain, gross receipts, or other benefit from the violation to be relinquished and paid to the State Treasurer for deposit in the Tobacco Control Special Fund, which is hereby created. Moneys in the fund shall be used for the sole purpose of enforcement of Sections 1 to 14 of this Act. Unless otherwise expressly provided, the remedies or penalties provided by Sections 1 to 14 of this Act are cumulative to each other and to the remedies or penalties available under all other laws of this state.

SECTION 13. A NEW SECTION OF KRS CHAPTER 131 IS CREATED TO READ AS FOLLOWS:

If any section, subsection, subdivision, paragraph, sentence, clause, or phrase of KRS 131.600, 131.602, or Sections 1 to 14 of this Act causes KRS 131.600 and 131.602 to no longer constitute a model statute, as it is set out in Exhibit T to the master settlement agreement, then that portion of KRS 131.600, 131.602, or Sections 1 to 14 of this Act shall not be valid.

SECTION 14. A NEW SECTION OF KRS CHAPTER 131 IS CREATED TO READ AS FOLLOWS:

(1) In addition to or in lieu of any other civil or criminal remedy provided by law, upon a determination that a stamping agent or distributor has violated any provision of Sections 1 to 14 of this Act or any administrative regulation promulgated thereunder, the secretary may revoke or suspend the license of any stamping agent or distributor pursuant to KRS 138.195 and 138.205.

(2) Each stamp affixed in violation of Section 5 of this Act shall constitute a separate violation. The secretary may impose a civil penalty in an amount not to exceed the greater of five hundred percent (500%) of the retail value of the cigarettes sold or five thousand dollars ($5,000) upon a determination of a violation of Section 5 of this Act or any administrative regulations promulgated thereunder. The penalty shall be imposed in the manner provided by KRS 138.195 and 138.205.

Section 16. There is appropriated to the Revenue Cabinet, before making distributions from the tobacco settlement agreement fund pursuant to KRS 248.654, for each year of the 2002-2004 biennium, and notwithstanding the temporary emergency expenditures of state funds in Executive Order 2002-727, one hundred seventy-five thousand ($175,000) dollars to carry out the provisions of KRS 131.600, 131.602, and Sections 1 to 14 of this Act.

The Committee on Banking and Insurance reported **HB 8,** with Committee Substitute and Committee Amendment attached thereto, **HB 443, HB 454,** and **HB 498,** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 8, AN ACT relating to physician medical malpractice.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.801 is amended to read as follows:

(1) The General Assembly finds and declares that:

(a) An adequate and available workers' compensation ***medical malpractice*** insurance market does not exist for employers ***and physicians*** in the Commonwealth;

(b) Approximately fifty percent (50%) of the private workers' compensation insurance market resides in the residual market mechanism for workers' compensation;

(c) The voluntary insurance market has declined to the point that employers in the Commonwealth, who lack the financial capability to cover their own risk, have few insurance options except the residual market mechanism through which to maintain their statutorily-required workers' compensation coverage;

(d) A lack of an adequate market for workers' compensation ***and medical malpractice*** insurance threatens the economic welfare of the Commonwealth and its ability to create and maintain jobs for the citizens of Kentucky;

(e) Employers in the Commonwealth and other states are required by law to provide workers' compensation coverage to their employees and, therefore, the General Assembly has a responsibility to ensure employers an available and adequate insurance mechanism through which employers may discharge their statutory duty regarding workers' compensation;~~[and]~~

(f) State funds have historically and traditionally been a viable participant in the workers' compensation insurance market, that workers' compensation state funds exist in twenty-five (25) states, and that at least seven (7) states have created competitive state funds since 1983***;***

(g) Rising medical malpractice premiums, the shortage of reinsurance or restrictive terms of reinsurers, the withdrawal by medical malpractice insurers from the market, the increase in median malpractice jury awards, and other factors have created hardship on Kentucky physicians and made other states with more favorable medical malpractice insurance markets more attractive to some Kentucky physicians;

(h) Some Kentucky physicians face premiums for medical malpractice insurance that absorb a disproportionate amount of the physician's income and other physicians have been unable to obtain medical malpractice insurance or are faced with dropping risky procedures in order to obtain coverage; and

(i) It is in the interest of all Kentuckians that the state establish the Kentucky Physicians' Medical Malpractice Insurance Company to make certain physicians practicing medicine in Kentucky will be able to obtain affordable medical malpractice coverage and to provide a means to indemnify persons for professional negligence.

(2) Therefore, it is the intent of the General Assembly in creating the Employers' ***and Physicians'*** Mutual Insurance Authority to establish a self-supporting competitive state fund for the purpose of providing both a market of last resort for employers ***and physicians*** in the Commonwealth and another competitive source of insurance in the voluntary market through which employers may secure and maintain their workers' compensation coverage required under this chapter ***and physicians may secure and maintain medical malpractice insurance. The authority shall consist of the Kentucky Employers' Mutual Insurance Company and the Kentucky Physicians' Mutual Insurance Company***.

Section 2. KRS 342.803 is amended to read as follows:

The General Assembly hereby recognizes that the operation of a competitive state fund is a unique activity for state government and that a corporate structure will best enable the authority to be managed in an entrepreneurial and business-like manner. The authority shall function in a manner similar to a governing board for a domestic mutual insurance company and shall be subject to the provisions of KRS Chapter 304 applicable to domestic mutual insurance companies, unless otherwise provided or exempted in KRS 342.801 to 342.843.

(2) Except for initial funding for start-up, the authority shall be entirely self-supporting.

Section 3. KRS 342.805 is amended to read as follows:

(2) "Board" means the board of directors of the authority.

(3) "Insurer of last resort" means an entity that provides workers' compensation coverage to any and all employers who comply with the provisions of KRS 342.801 to 342.843 for their business in and incidental to the Commonwealth ***and an entity that provides medical malpractice coverage to physicians in the Commonwealth***.

(2) In an action alleging malpractice, error, mistake, or failure to cure, whether based on contract or tort, against a health care provider which includes a cause of action as to which expert testimony is necessary to establish a prima facie case, the plaintiff shall:

(a) Unless otherwise provided in paragraph (b) of subsection (3) of this section, serve upon defendant with the summons and complaint an affidavit as provided in subsection (3) of this section; and

(b) Serve upon defendant within one hundred eighty (180) days after commencement of the suit an affidavit as provided by subsection (4) of this section.

(3) The affidavit required by paragraph (a) of subsection (2) of this section shall be by the plaintiff's attorney and state that:

(a) The facts of the case have been reviewed by the plaintiff's attorney with an expert whose qualifications provide a reasonable expectation that the expert's opinions could be admissible at trial and that, in the opinion of this expert, one (1) or more defendants deviated from the applicable standard of care and by that action caused injury to the plaintiff; or

(b) The expert review required by paragraph (a) of this subsection could not reasonably be obtained before the action was commenced because of the applicable statute of limitations. If an affidavit is executed pursuant to this paragraph, the affidavit in paragraph (a) of this subsection shall be served on defendant or the defendant's counsel within ninety (90) days after service of the summons and complaint.

The court shall include in a scheduling order a deadline prior to the close of discovery for all parties to answer expert interrogatories for all experts to be called at trial. No additional experts may be called by any party without agreement of the parties or by leave of the court for good cause shown.

(5) If the plaintiff is acting pro se, the plaintiff shall sign the affidavit or answers to interrogatories referred to in this section and is bound by those provisions as if represented by an attorney.

(c) Failure to comply with subsection (4) of this section because of deficiencies in the affidavit or answers to interrogatories results, upon motion, in mandatory dismissal with prejudice of each action as to which expert testimony is necessary to establish a prima facie case, if:

2. The time for hearing the motion is at least forty-five (45) days from the date of service of the motion; and

3. Before the hearing on the motion, the plaintiff does not serve upon the defendant an amended affidavit or answers to interrogatories that correct the claimed deficiencies.

(7) The signature of the plaintiff or the plaintiff's attorney constitutes a certification that the person has read the affidavit or answers to interrogatories, and that to the best of the person's knowledge, information, and belief formed after a reasonable inquiry, it is true, accurate, and made in good faith. A certification made in violation of this subsection subjects the attorney or plaintiff responsible for such conduct to reasonable attorney's fees, costs, and disbursements.

(2) All lawsuits involving claims of professional negligence against health care providers shall be subject to mediation, to fully explore possibilities for a prompt and fair voluntary settlement of claims.

(4) Parties may consent to a postponement of up to sixty (60) days.

(5) Parties may opt out of mediation only by obtaining a court order exempting them.

(6) Parties may mutually agree to select a mediator of their choice or, if they cannot agree within twenty (20) days after all responsive pleadings are filed in the lawsuit, a mediator shall be appointed by the court in which the action is pending.

(7) At least seven (7) days before the mediation, parties shall provide the mediator with a statement of issues, which identifies the issues in dispute and the parties' positions and interests. The pleadings and any documents of importance to the case shall be included.

(8) If any party fails to submit a statement of issues or to attend within the first thirty (30) minutes of the mediation session, the mediator may cancel the mediation and file with the court a certificate of noncompliance. If the mediation is not concluded within three (3) hours, the mediator may, with the consent of all parties, continue the session or arrange for additional sessions.

(12) Agreements resolving some or all of the issues in dispute shall be in writing and signed by the parties or their lawyers. If the parties settle the case, the parties shall file a notice with the court advising of the settlement with ten (10) days of the agreement being signed. Agreements reached at mediation are legally binding. If a party fails to comply with a signed agreement, any other party to the agreement may bring a motion for judgment under the terms of the agreement or continue the legal proceedings as if there had been no agreement.

(13) After the session, the mediator shall complete and file a report on the outcome of the mediation with the court in which the action is pending.

(14) The mediator's fee shall be paid equally by the parties.

Section 17. KRS 304.6-100 is amended to read as follows:

(1) As to casualty insurance transacted by it, each insurer shall maintain at all times reserves in an amount estimated in the aggregate to provide for payment of all losses and claims incurred, whether reported or unreported, which are unpaid and for which the insurer may be liable, and to provide for the expenses of adjustment or settlement of losses and claims. The reserves shall be computed in accordance with regulations from time to time made by the commissioner, after due notice and hearing, upon reasonable consideration of the ascertained experience and the character of such kind of business for the purpose of adequately protecting the insured and the solvency of the insurer.

(2) Whenever the loss and loss expense experience of the insurer show that reserves, calculated in accordance with such regulations, are inadequate, the commissioner may require the insurer to maintain additional reserves.

(3)[~~ The minimum reserve requirements prescribed by the commissioner for unpaid losses and loss expenses incurred during each of the most recent three (3) years for coverages included in the lines of business described in the insurer's annual statement as workers' compensation, liability other than auto (B.I.), and auto liability (B.I.) shall not be less than the following: for workers' compensation, sixty five percent (65%) of premiums earned during each year less the amount already paid for losses and expenses incidental thereto incurred during such year; for liability other than auto (B.I.) and auto liability (B.I.), sixty percent (60%) of premiums earned during each year less the amount already paid for losses and expenses incidental thereto incurred during such year.~~

~~(4)~~] The commissioner may, by regulation, prescribe the manner and form of reporting pertinent information concerning the reserves provided for in this section.

Section 18. KRS 304.6-180 is amended to read as follows:

(1) If in any contract year the gross premium charged by any life insurer on any policy or contract, which is subject to subsection (2) of KRS 304.6-140, is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve thereon, but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for such policy or contract shall be the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for such policy or contract, or the reserve calculated by the method actually used for such policy or contract but using the minimum standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium. The minimum valuation standards of mortality and rate of interest referred to in this section are those standards stated in KRS 304.6-140 and 304.6-145. Provided that for any life insurance policy issued on or after January 1, 1986, for which the gross premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the foregoing provisions of this section shall be applied as if the method actually used in calculating the reserve for such policy were the method described in KRS 304.6-150, ignoring the second subsection of that section. The minimum reserve at each policy anniversary of such a policy shall be the greater of the minimum reserve calculated in accordance with KRS 304.6-150, including the second subsection of that section, and the minimum reserve calculated in accordance with this section.

(2) When the anticipated losses, loss adjustment expenses, commissions, and the acquisition costs, and maintenance costs exceed the recorded unearned premium reserve, and any future installment premiums on existing policies, a premium deficiency reserve shall be recognized by a property and casualty insurer by recording an additional liability for the deficiency, with a corresponding charge to operations. Commission and other acquisition costs need not be considered in the premium deficiency analysis to the extent they have previously been expensed. For purposes of determining if a premium deficiency exists, insurance contracts shall be grouped in a manner consistent with how policies are marketed, serviced, and measured. A liability shall be recognized for each grouping where a premium deficiency is indicated. Deficiencies shall not be offset by anticipated profits in other policy groupings. If a premium deficiency reserve is established, disclosure of the amount of that reserve shall be made in the financial statements. If a reporting entity utilizes anticipated investment income as a factor in the premium deficiency calculation, disclosure of this shall be made in the financial statements.

(3) When the anticipated losses, loss adjustment expenses, commissions and other acquisition costs, and maintenance costs exceed the recorded unearned premium reserve, contingency reserve, and the estimated future renewal premium on existing policies, a mortgage guaranty insurer shall recognize a premium deficiency reserve by recording an additional liability for the deficiency with a corresponding charge to operations. Commissions and other acquisition costs need not be considered in the premium deficiency analysis to the extent they have been expensed. If a mortgage guaranty insurer utilizes anticipated investment income as a factor in the premium deficiency calculation, disclosure of this shall be made in the financial statements.

(4) When the expected claims payments or incurred costs, claim adjustment expenses and administration costs exceed the premiums to be collected for the remainder of a contract period, an individual or group accident and health insurer or health maintenance organization shall recognize a premium deficiency reserve by recording an additional liability for the deficiency, with a corresponding charge to operations. For purposes of determining if a premium deficiency exists, contracts shall be grouped in a manner consistent with how policies are marketed, serviced, and measured. A liability shall be recognized for each grouping where a premium deficiency is indicated. Deficiencies shall not be offset by anticipated profits in other policy groupings. Such accruals shall be made for any loss contracts, even if the contract period has not yet started.

Section 19. KRS 304.8-010 is amended to read as follows:

(1) All deposits of assets of insurers required or permitted under this code and made in this state shall be made and maintained with the ***commissioner.***[~~custodian of insurance securities of this state, hereinafter called "custodian."~~]

(1) All[~~ such~~] deposits shall be held by the ***commissioner***[~~custodian~~] in trust for the benefit and protection of all of the insurer's policyholders and creditors in the United States.

(2) The deposit of a domestic insurer shall further be security for payment of taxes, assessments, forfeitures, fines, or other charges due and unpaid to this state or any other state in which the insurer has been authorized to transact insurance, and may be applied to ***the***[~~such~~] extent as may be necessary for[~~ such~~] payment.

(1) The Cabinet for Health Services shall prepare a state child health plan meeting the requirements of Title XXI of the Federal Social Security Act, for submission to the Secretary of the United States Department of Health and Human Services within such time as will permit the state to receive the maximum amounts of federal matching funds available under Title XXI. The cabinet shall, by administrative regulation promulgated in accordance with KRS Chapter 13A, establish the following:

However, no person eligible for services under Title XIX of the Social Security Act 42 U.S.C. 1396 to 1396v, as amended, shall be eligible for services under the Kentucky Children's Health Insurance Program except to the extent that Title XIX coverage is expanded by KRS 205.6481 to 205.6495 and KRS 304.17A-340;

Inasmuch as this distinguished educator has established a superior level of potential and skill during his first sixteen months as a teacher, the members of this august body are indeed honored to join Representative Charles R. Walton in applauding him for this notable achievement and in extending best wishes as he continues to shape the lives of the youth of the community and this Commonwealth. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER STATE LAW, AND FAILURE TO FOLLOW THEM MAY AFFECT YOUR ABILITY TO FILE A LAWSUIT."

(3) Sections 1 to 11 of this Act shall not preclude or bar any action if notice is not given to the homeowner as required by this section.

WHEREAS, the courts of the Commonwealth provide a convenient and open forum for the resolution of disputes that is particularly well suited for the taking and hearing of evidence in matters concerning real property; and

WHEREAS, the Commonwealth, in holding and managing real property, desires to act fairly and equitably toward adjoining property owners as the Commonwealth seeks to properly manage the people's land; and

WHEREAS, a dispute currently exists regarding the right of Mark Herres to utilize certain passways over real property making up the Natural Bridge State Resort Park held by the Commonwealth of Kentucky to reach a parcel of real property owned by Mark Herres situated between the Natural Bridge State Resort Park and the Daniel Boone National Forest, said real property having previously been known as the "Watkins Tract" and the "Pace Tract"; and

WHEREAS, the Commonwealth desires that the dispute be resolved in a fair and impartial manner so as to bring justice to both parties and that this might be accomplished by utilization of the Court of Justice should negotiations between the parties fail;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

In authorizing the civil action, the Commonwealth does not preclude Mark Herres or the Commonwealth from raising additional claims for relief which do not require the authorization of the Commonwealth to bring, which claims relate to the dispute between the parties in regard to the passways over the Natural Bridge State Resort Park, if the additional claims for relief may be brought pursuant to the rules of civil procedure.

Section 3. Notwithstanding any other provision of law to the contrary, jurisdiction and venue for this action shall be in the Circuit Court of Powell County.

Section 4. The right to bring the action granted under Section 1 of this joint resolution includes the right to request and be granted injunctive relief, if appropriate, and the right of appeal if the appeal is otherwise allowed by law.

Section 5. The Clerk of the House is directed to transmit a copy of this resolution to Mark Herres, 705 Taywood Road, Englewood, OH 45322, the Hon. F. C. Bryan, P.O. Box 1426, Mt. HJR 111, A JOINT RESOLUTION recognizing March 18, 2003, as "Gideon Day" throughout the Commonwealth of Kentucky.

WHEREAS, Earl Gideon, a 51-year-old man with an eighth-grade education, was charged with breaking into a Florida poolroom on June 3, 1961, and stealing coins from a cigarette machine; and

WHEREAS, having plead innocent, Gideon's request for counsel was denied by the State of Florida trial judge; and

WHEREAS, Gideon was forced to defend himself against the case presented by the state's prosecuting attorney by attempting to cross-examine the witnesses against him, make legal arguments, and otherwise plead in a tribunal with procedures unfamiliar to lay persons; and

WHEREAS, Gideon was convicted of felony breaking and entering with intent to commit a misdemeanor, and was sentenced to five years in state prison; and

WHEREAS, Gideon submitted a handwritten petition to the United States Supreme Court from his Florida prison cell, arguing that the United States Constitution does not allow poor people to be convicted and sent to prison without legal representation; and his position was supported in an *amicus* brief filed by 22 state attorneys general; and

WHEREAS, on March 18, 1963, the Supreme Court unanimously ruled that Gideon's trial and conviction without the assistance of counsel was fundamentally unfair and violated the Sixth and Fourteenth Amendments to the United States Constitution, stating as an obvious truth that, "in our adversary system of criminal justice, any person haled into court, who is too poor to hire a lawyer, cannot be assured a fair trial unless counsel is provided for him"; and

WHEREAS, at his retrial with the assistance of counsel, Clarence Earl Gideon was found to be not guilty, partly as a result of appointed counsel's cross-examination of the taxi cab driver upon whose testimony Gideon had been convicted at the first trial; and

WHEREAS, as a result of the *Gideon* decision, all states are now obligated to provide court-appointed counsel to persons who have been charged with a crime and who are too poor to afford an attorney; and

WHEREAS, later Supreme Court decisions have further expanded the states' obligation to provide counsel to accused individuals who cannot afford to hire a private attorney including most recently misdemeanor defendants receiving a suspended sentence; and

WHEREAS; this obligation exists even as state budget revenues shrink and the pressure to cut expenditures grows; and

WHEREAS, 40 years after the Supreme Court's decision, implementation of the right to counsel is uneven across the nation in terms of quality of representation, funding, staffing, training, caseloads, and timeliness of appointment; and

WHEREAS, the importance of the promise of the Supreme Court's ruling in Gideon's case of equal justice has been reaffirmed by recent exonerations of the innocent as a result of DNA evidence, and revelations of deficient and under-funded indigent defense systems; and

WHEREAS, Kentucky has long recognized the right to counsel in Section 10 of the Kentucky Constitution and the decisions of our appellate courts; and

WHEREAS, Kentucky's highest court in 1948 stated that "common justice demands" that an attorney must be appointed when a person charged with a felony cannot afford to hire his own counsel; and

WHEREAS, while members of the Kentucky Bar have long represented indigents accused of crimes at little or no fee for many years, Kentucky courts have held that forcing lawyers to represent poor persons charged with a crime without compensation is unconstitutional; and

WHEREAS, the Department of Public Advocacy was created in 1972, when House Bill 461 passed the General Assembly at the request of Governor Wendell Ford, in order to implement fully in Kentucky the mandates of the decision in Gideon's case; and

WHEREAS, most recently in 1999, a Blue Ribbon Group of experts found that the Kentucky public defender system was the poorest funded system in the country in terms of defender salaries, funding per case, and funding per capita; and

WHEREAS, much progress has been made since 1999, but that recent budget reductions coupled with an increase in caseload threaten to undermine that progress; and

WHEREAS, the Department of Public Advocacy today represents over 108,000 persons each year who cannot afford to hire an attorney to represent them; and

WHEREAS, Kentucky's public defenders, both public and private, number over 400 lawyers and staff, and include persons who have made representing the poor their career and vocation;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The General Assembly hereby recognizes March 18, 2003, as "Gideon Day" throughout the Commonwealth of Kentucky.

Section 2. Kentucky hereby rededicates itself to the principle of equal justice for all regardless of income.

Section 3. Officials of Kentucky, including representatives of prosecutors' offices, public defenders' offices, the bar, the courts, and the schools, are encouraged to engage in appropriate commemorative activities to educate the public about the importance of equal access to justice in our great democracy and the mandates of the Supreme Court's decision in Gideon's case even in the face of periodic budgetary constraints.

Section 4. The House of Representatives hereby salutes public defenders and their staff throughout the Commonwealth of Kentucky for their dedication to public service.

Section 5. The Clerk of the House of Representatives shall cause commemorative copies of this Resolution to be printed and made available to government agencies, schools, and the public, to promote ongoing understanding of, and commitment to, the fulfillment of Gideon's promise.

(1) As a pilot project to determine the effectiveness of using senior retired judges to combat backlog and delay in Kentucky courts, there is hereby created a "Senior Status Program for Special Judges." The program shall be implemented as follows:

(a) KRS 21.400(1) and any other provision in KRS Chapter 21 to the contrary notwithstanding, a member who retires at a time when combining his total years of judicial service credit and his age equals or exceeds the number seventy-five (75), may elect, within ninety (90) days following retirement, to participate in the "Senior Status Program for Special Judges," if he complies with the provisions of this subsection. In that event, the member shall be entitled to a service retirement allowance, commencing at the member's normal retirement age, payable monthly during his lifetime in an amount equal to five percent (5%) of his final compensation multiplied by the number of years of his judicial service, not to exceed twenty (20) years of judicial service at the five percent (5%) factor, not to exceed one hundred percent (100%) of final compensation. "Final compensation", notwithstanding any provision to the contrary, for all members retiring under any provision of KRS 21.345 to 21.570 or this section, or similar statutes governing the same positions, as defined in KRS 21.400 shall be based on a period of thirty-six (36) months. Any nonjudicial time shall be counted as is otherwise provided in KRS Chapter 21, but in no event shall service retirement allowance exceed one hundred percent (100%) of final compensation.

(b) A Justice of the Supreme Court, Judge of the Kentucky Court of Appeals, Circuit Court Judge, or District Court Judge, who did not elect to participate in the Kentucky Judicial Retirement Plan under KRS 21.360 but who is a participant in the Kentucky Retirement Systems, whose age and years of service total at least seventy-five (75) may retire and elect, within ninety (90) days, to participate in the "Senior Status Program for Special Judges," if he or she complies with the provisions of this subsection. If complying, the retired judge shall be entitled to a supplemental service retirement allowance from the Judicial Retirement Plan, commencing at the member's normal retirement age. The supplemental allowance shall be in an amount equal to two and one quarter percent (2.25%) of the final compensation under KRS 61.680(2)(a) multiplied by the number of years of judicial service only. The supplemental benefit shall be limited to the difference in the annual Kentucky Retirement System benefit and the final compensation on which it is calculated.

(c)[~~1.~~] In the event the retiring judge elects to retire as a "Senior Status Special Judge" under this subsection, he shall commit to serve, upon appointment by the Chief Justice of the Commonwealth, as special judge for one hundred twenty (120) work days per year for a term of five (5) years without compensation other than the retirement benefits under this subsection. The Senior Status Special Judge may agree to work more than one hundred twenty (120) days in any year within the five (5) years of service; however, the Senior Status Special Judge shall be compensated as otherwise provided by law, in addition to his retirement benefits, for any days served in excess of one hundred twenty (120) in that year. If the Senior Status Special Judge has not served a total of six hundred (600) days within the five (5) year period outlined in this subsection, the Chief Justice shall require the Senior Status

Special Judge to serve at no additional compensation to the Senior Status Special Judge, until the six hundred (600) day period is served by the Senior Status Special Judge. The Senior Status Special Judge and the Chief Justice may agree in writing to serve less than the one hundred twenty (120) days in any one (1) or more of the five (5) years; however, any of the days not served in a given year shall be served at the end of the five (5) year period set forth in this subsection.

(d)~~[2.]~~ Should any member electing to retire under the Senior Status Program for Special Judges fail, when ordered by the Chief Justice to serve the requisite number of days not to exceed one hundred twenty (120) days a year for the five (5) year period outlined in this subsection, unless otherwise agreed in writing, he shall no longer be eligible for benefits computed under this subsection and shall return to the benefits otherwise provided under this chapter.

(e)~~[3.]~~ Subject to Section 110(5)(b) of the Kentucky Constitution, the Chief Justice shall give due regard, when practical, to the desirability of appointing Senior Status Special Judges to serve within their judicial region as defined by the regional administration charter.

(2)~~[(b)]~~ The inviolable contract provisions of Kentucky law, KRS 21.480, shall apply during the period of time that KRS 21.580 is effective; however, no other provisions of 2000 Ky. Acts ch. 305 shall be considered subject to an inviolable contract of the Commonwealth.

(3)~~[(c)]~~Nothing contained in this section shall be construed to invalidate provisions in the current law which require a penalty for retiring before the normal retirement age."

(4)~~[(2)]~~ The Senior Status Program for Special Judges created by this section shall be open to any member who is a judge in office on July 14, 2000, and who subsequently retires as a Senior Status Special Judge on or before January 31, 2009.
